OREGON
WATERFALLS

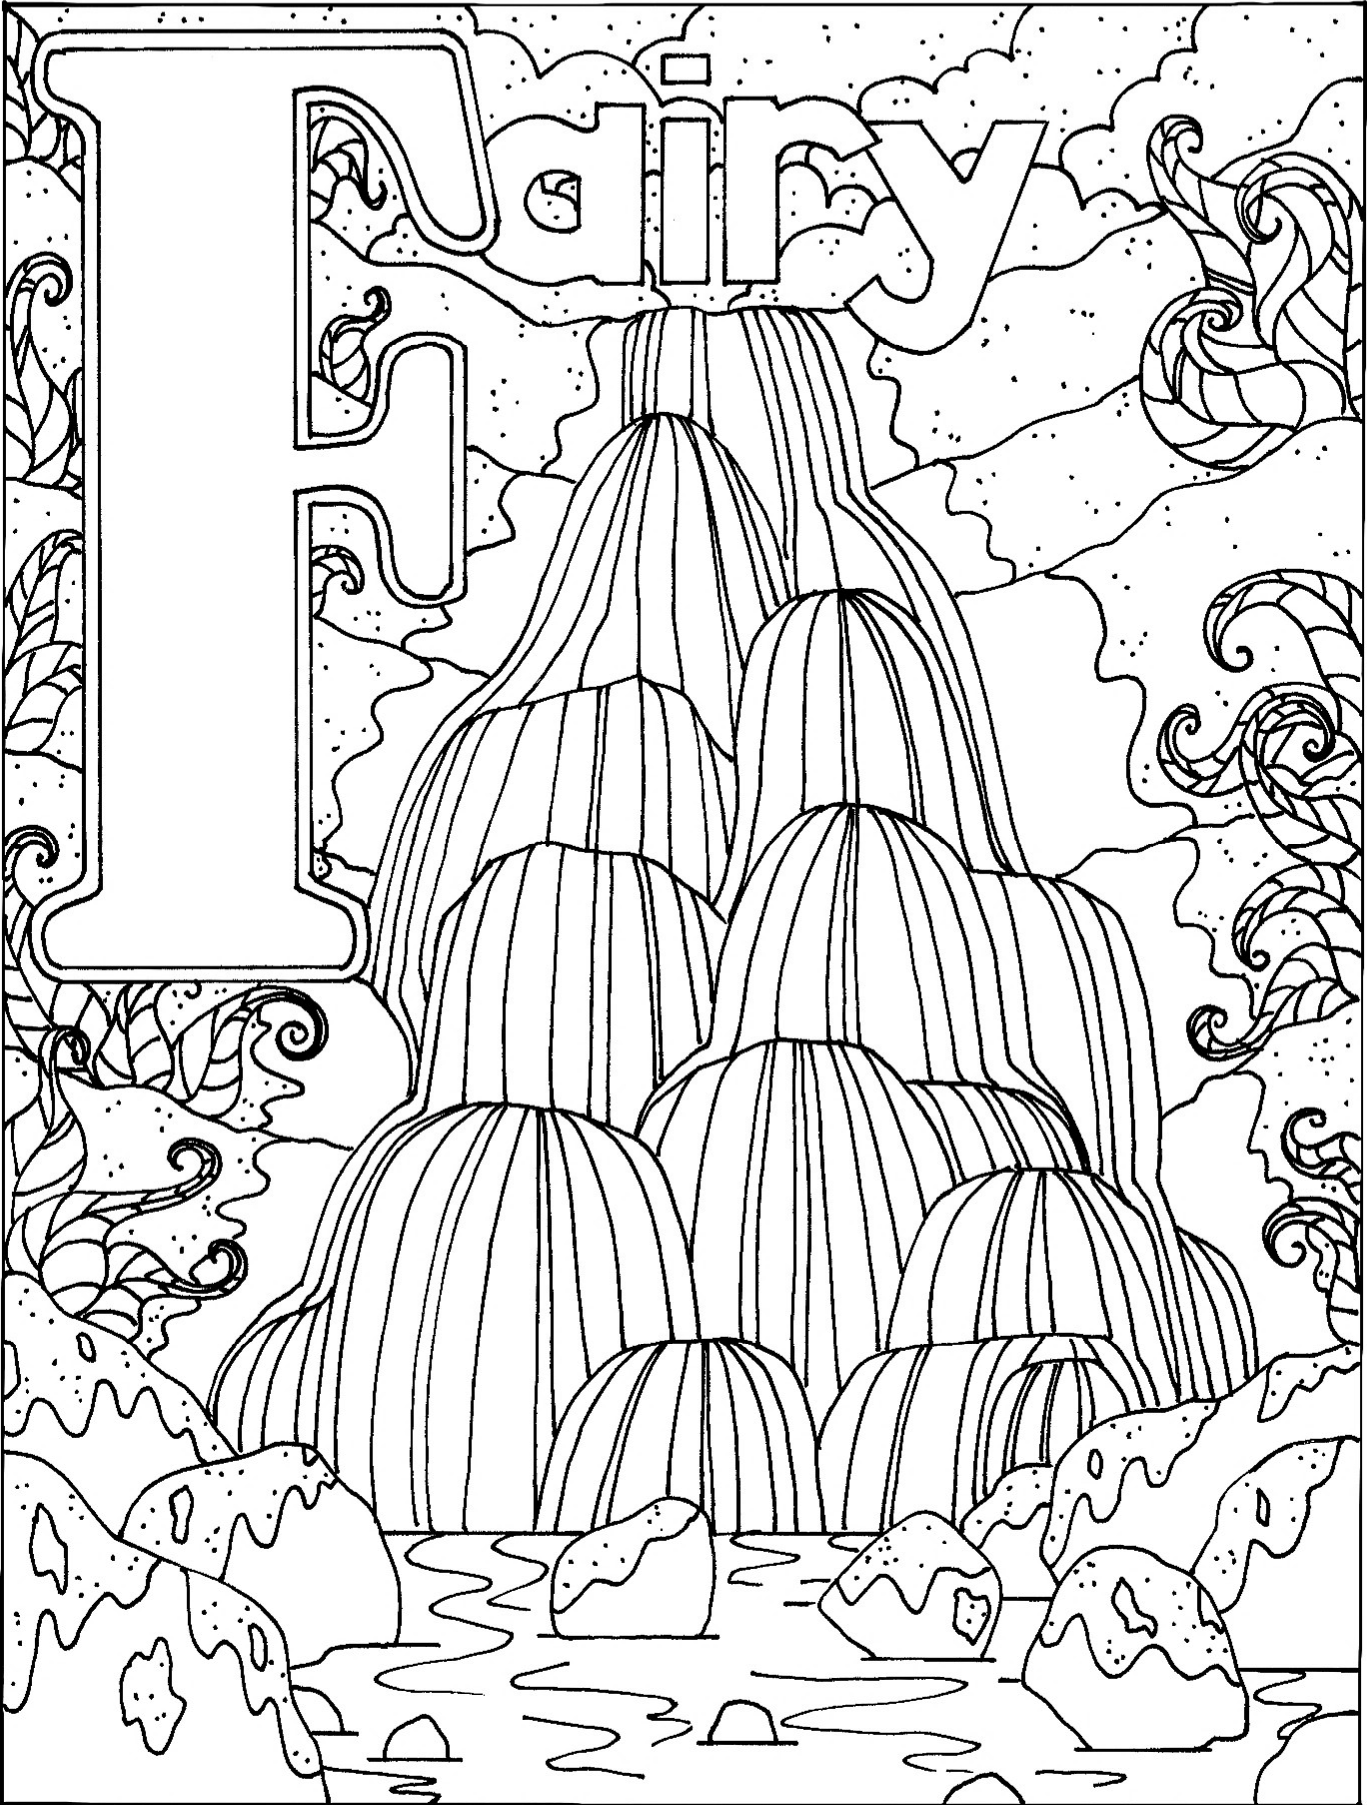

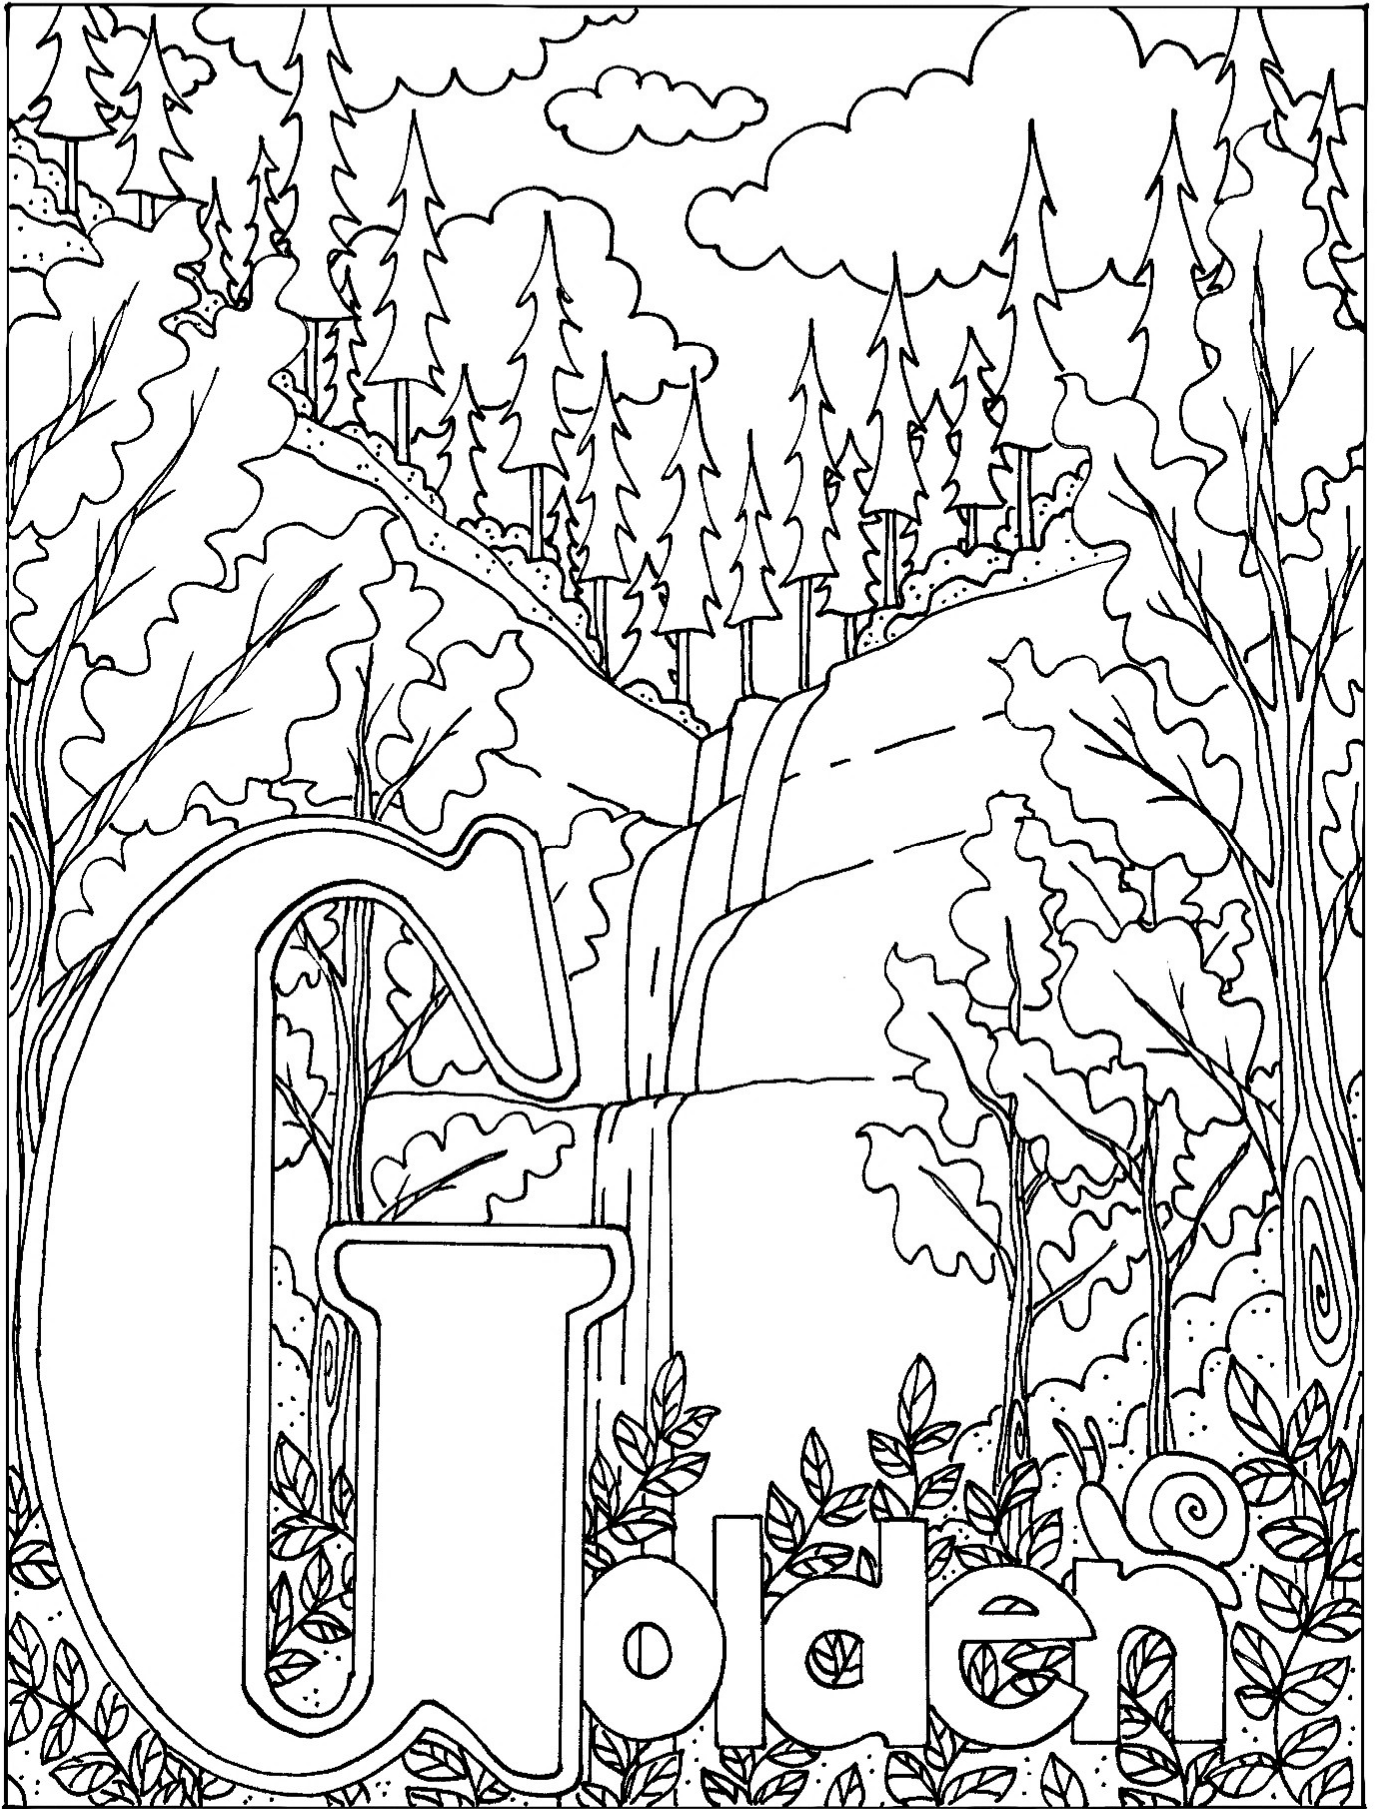

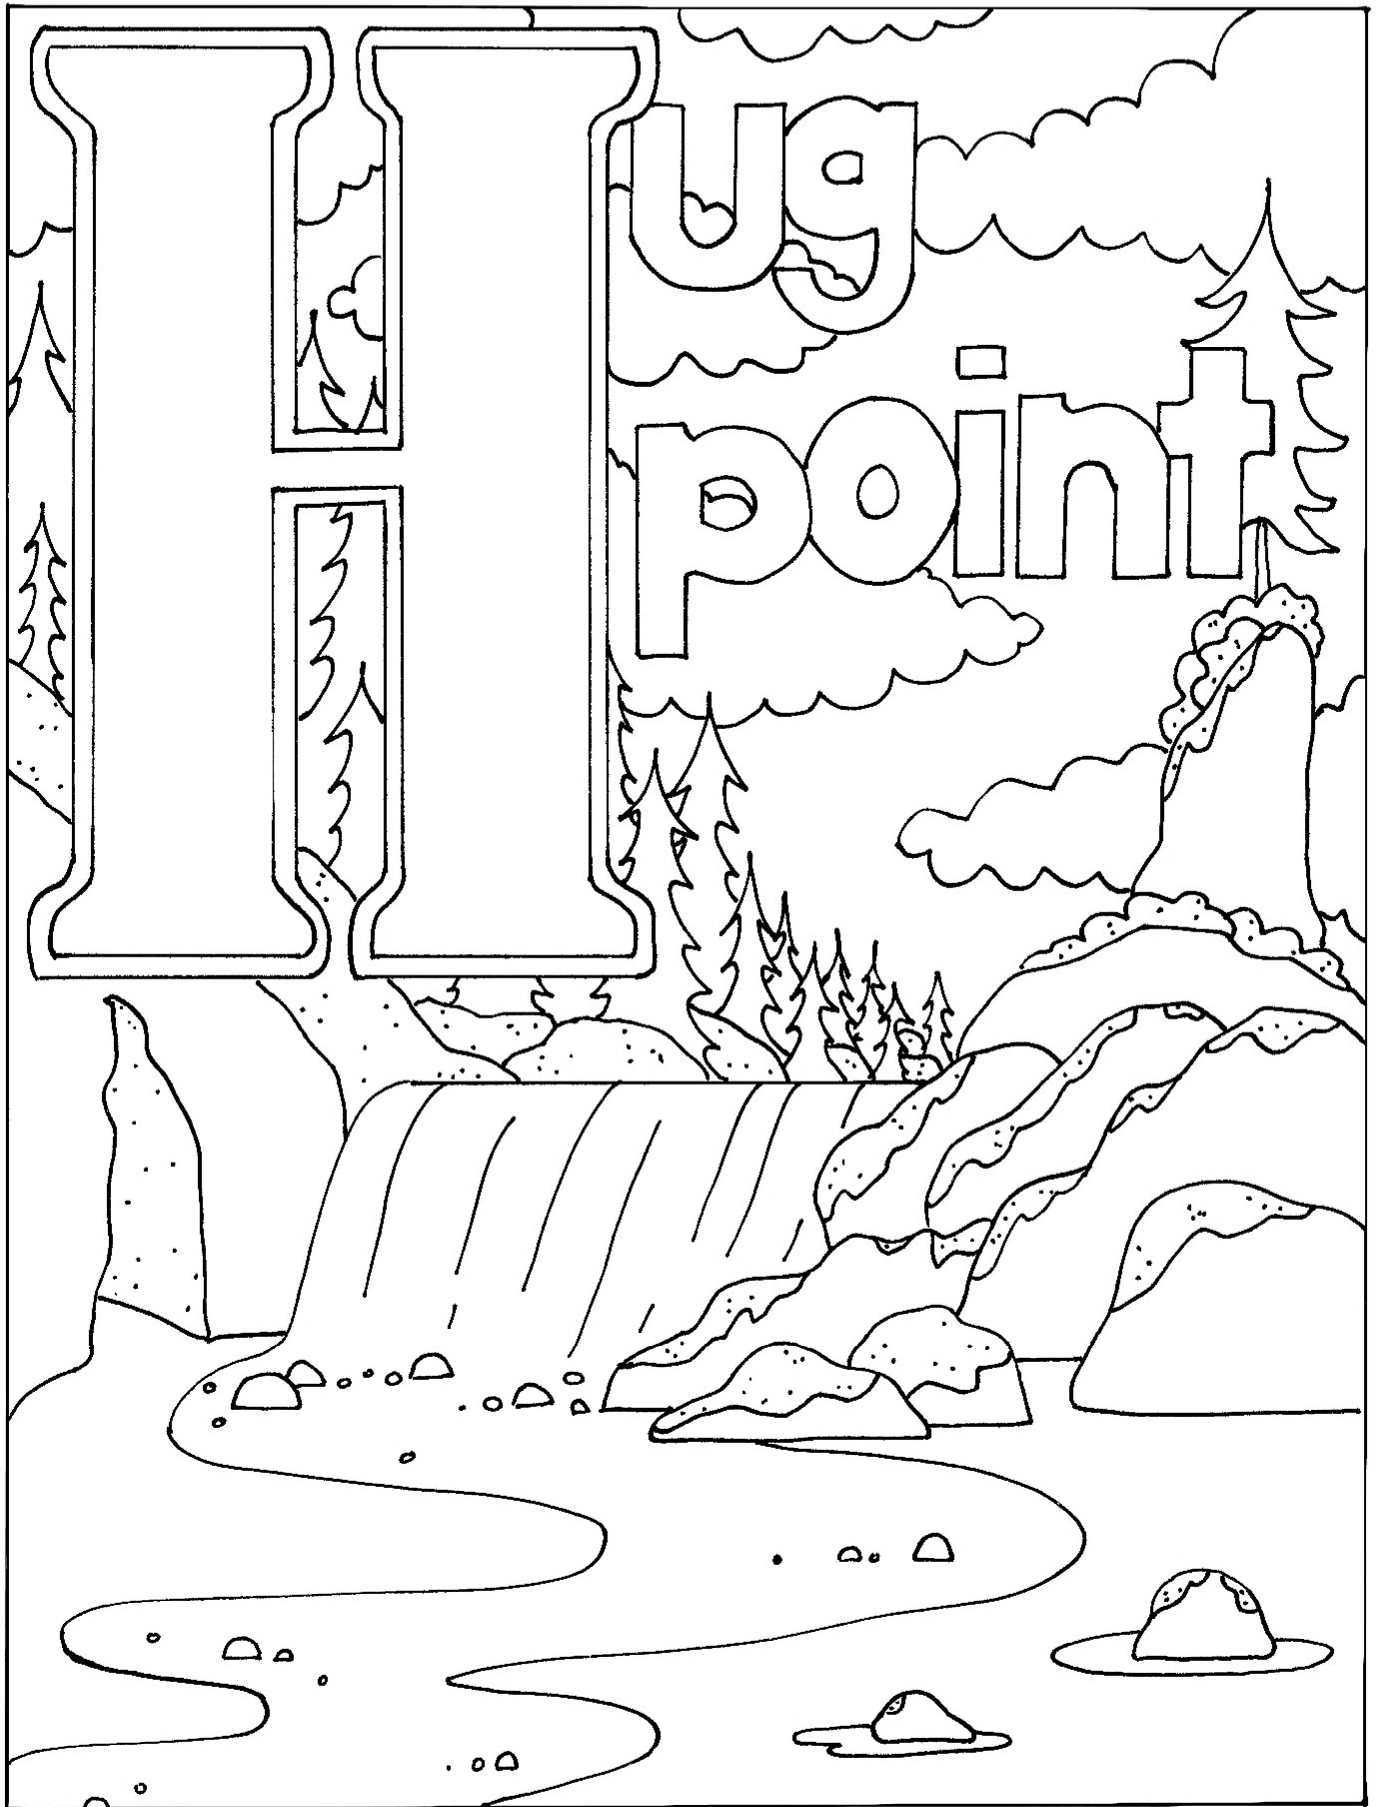

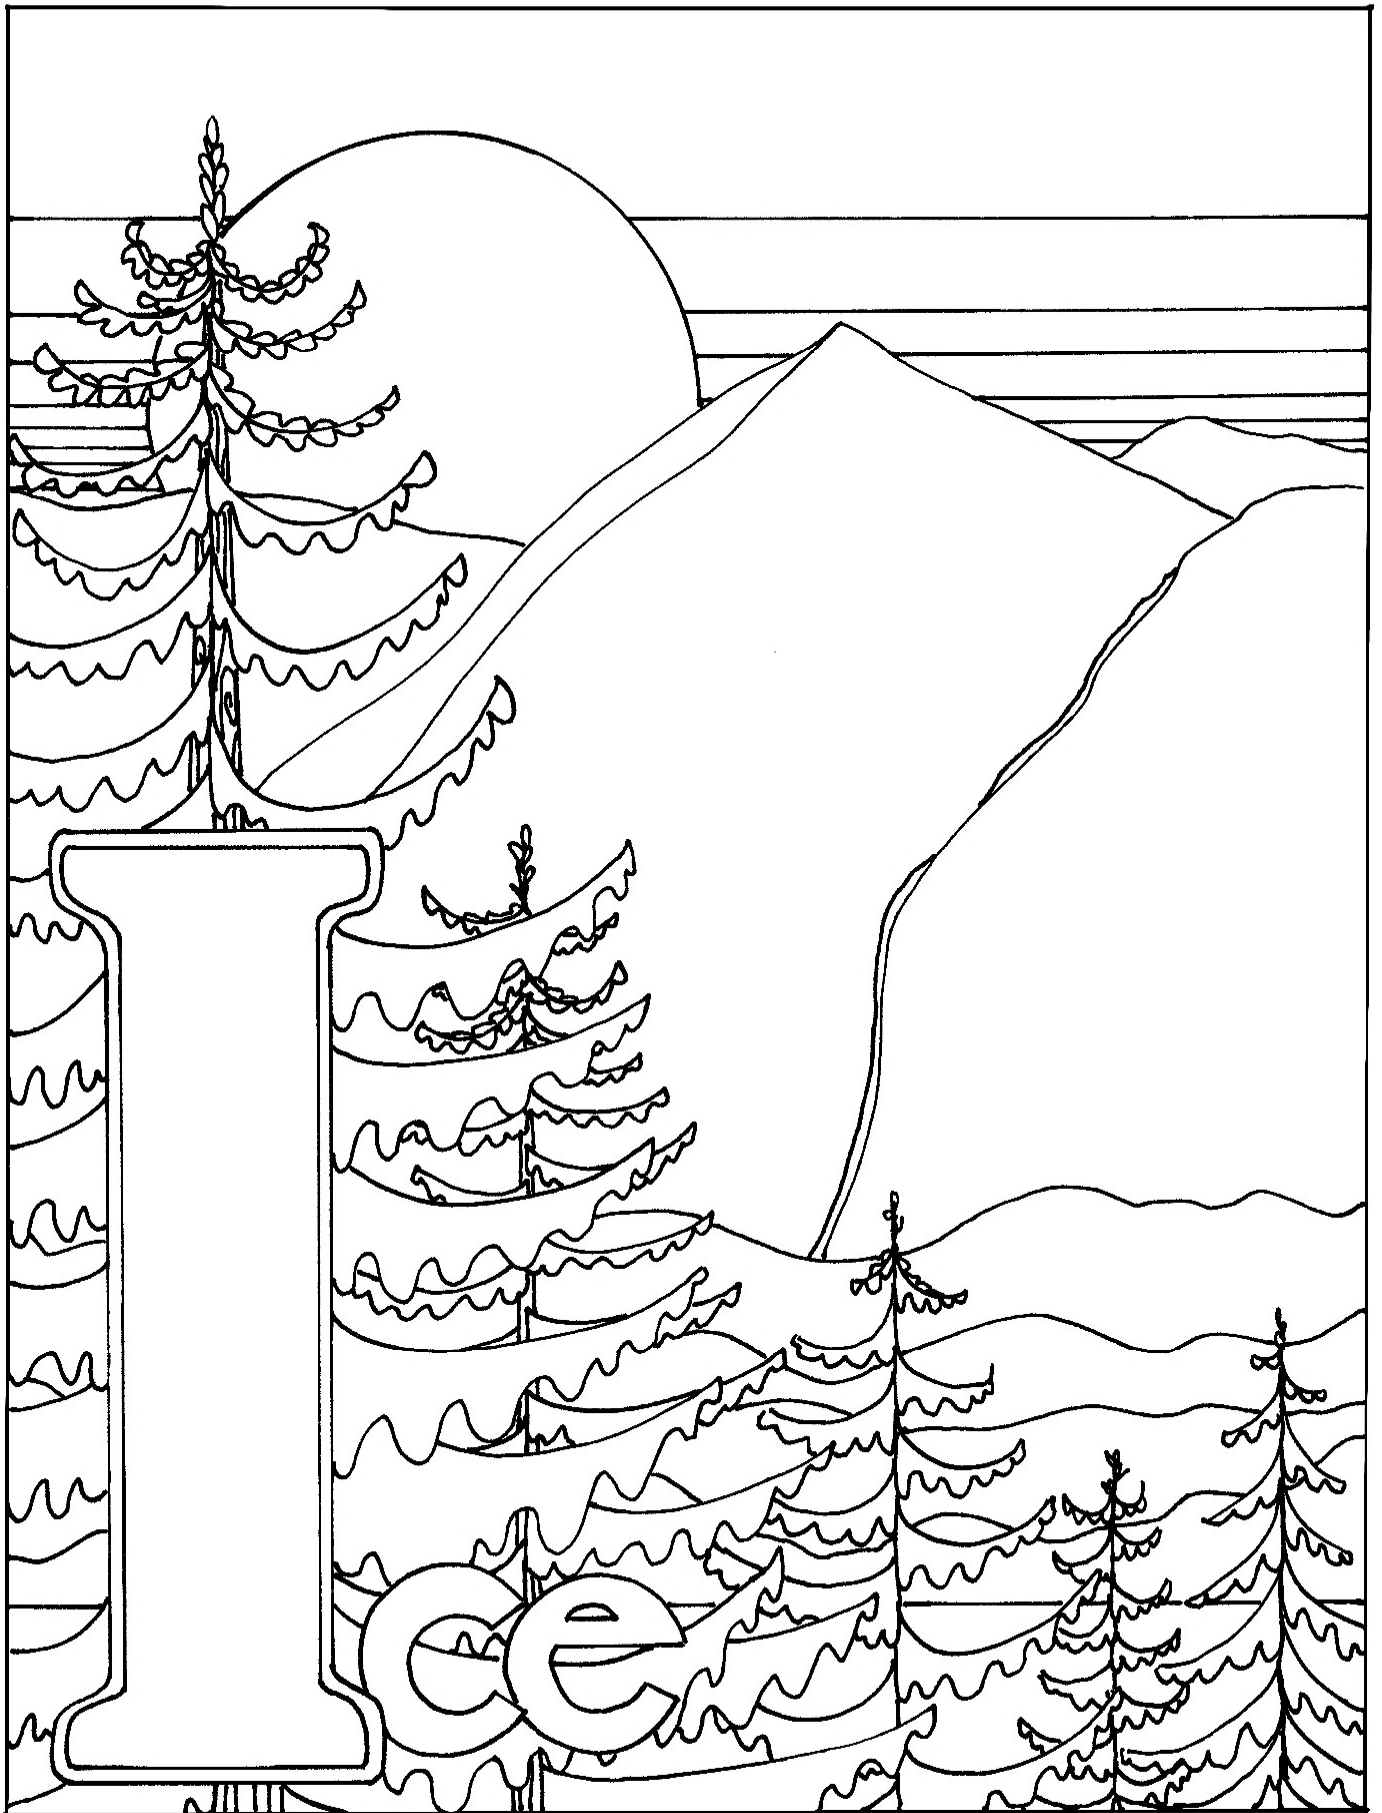

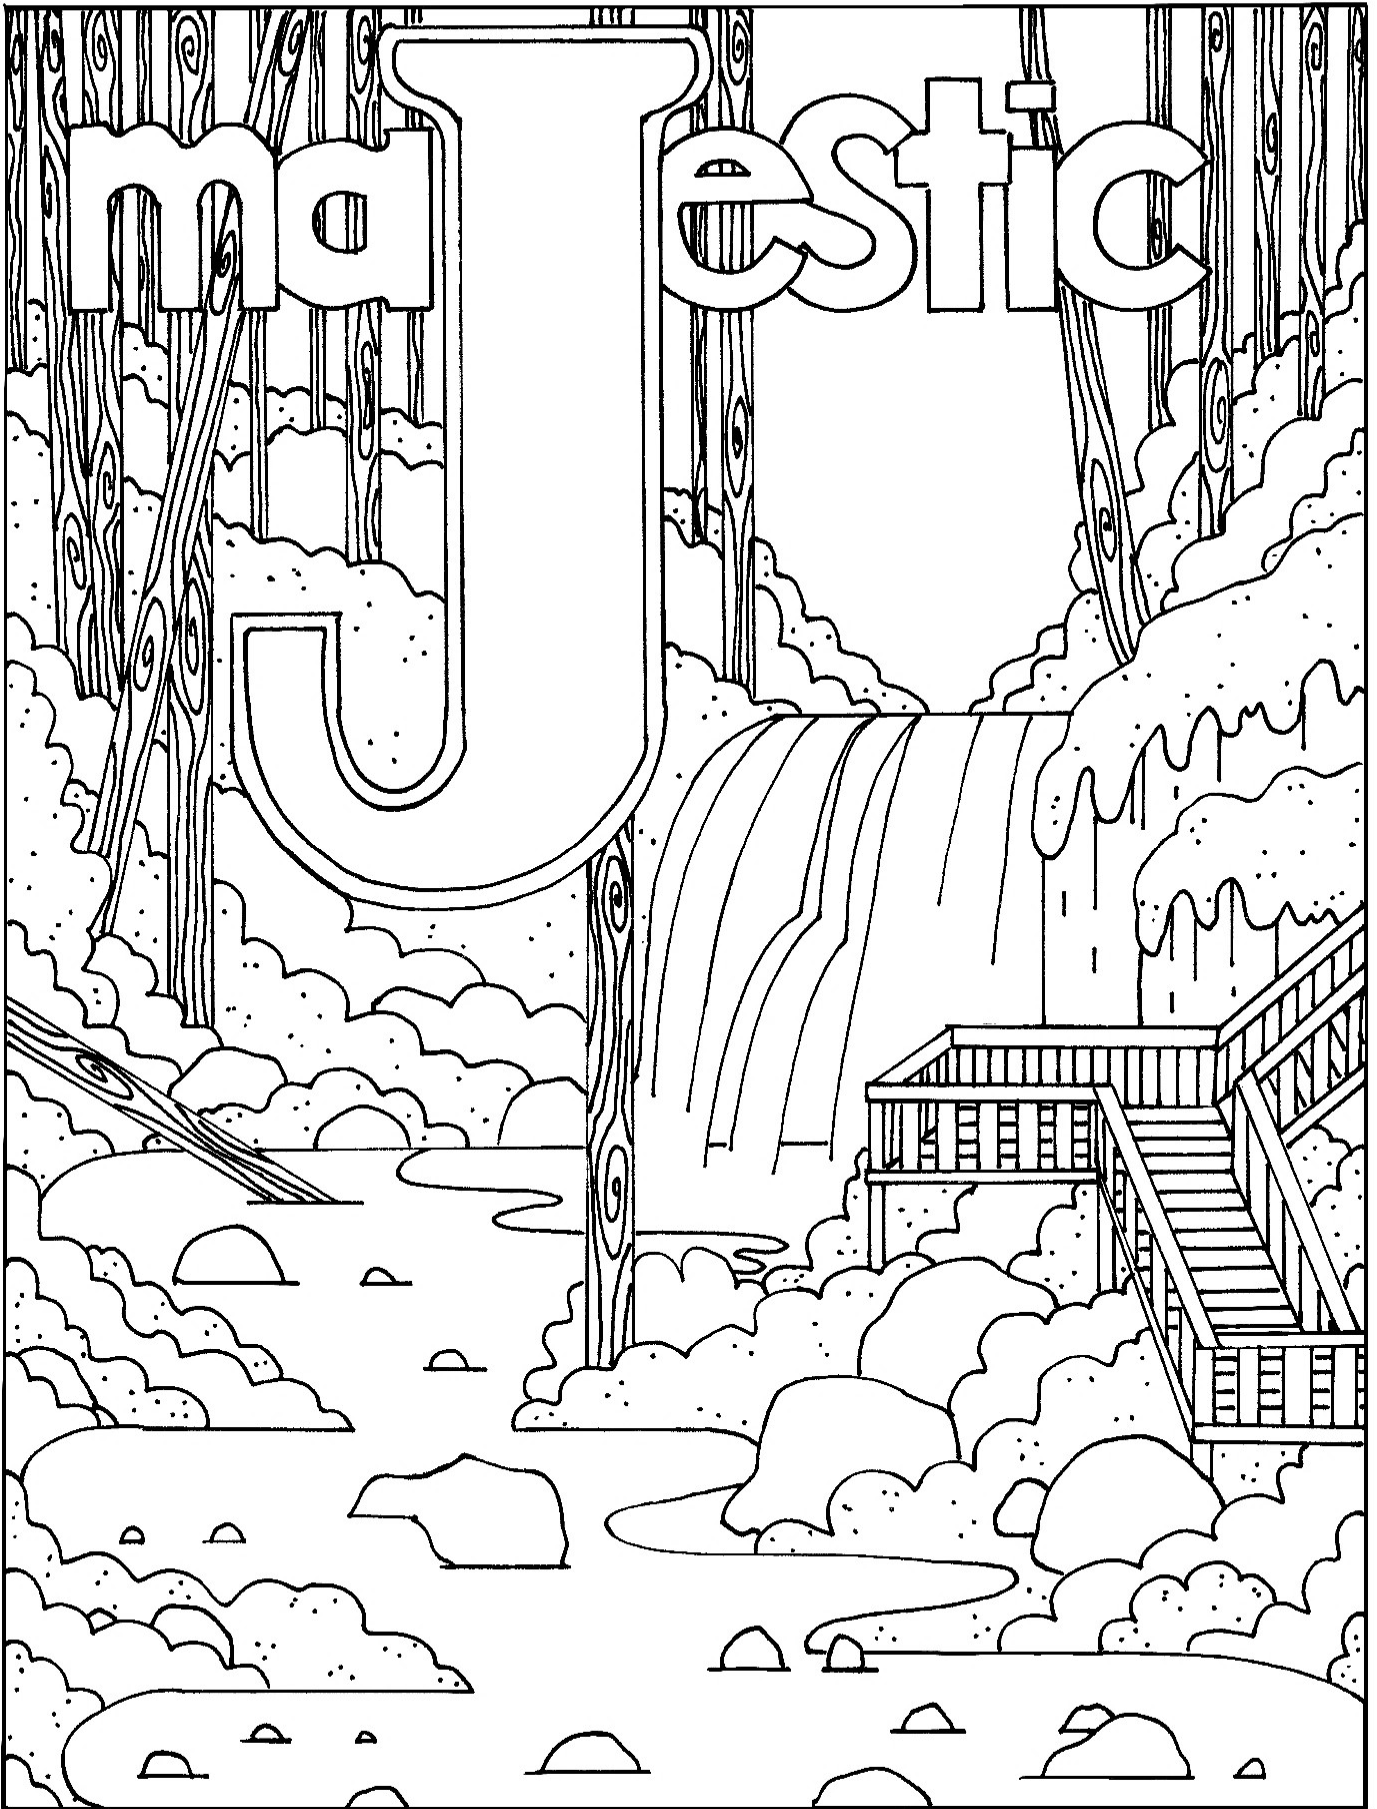

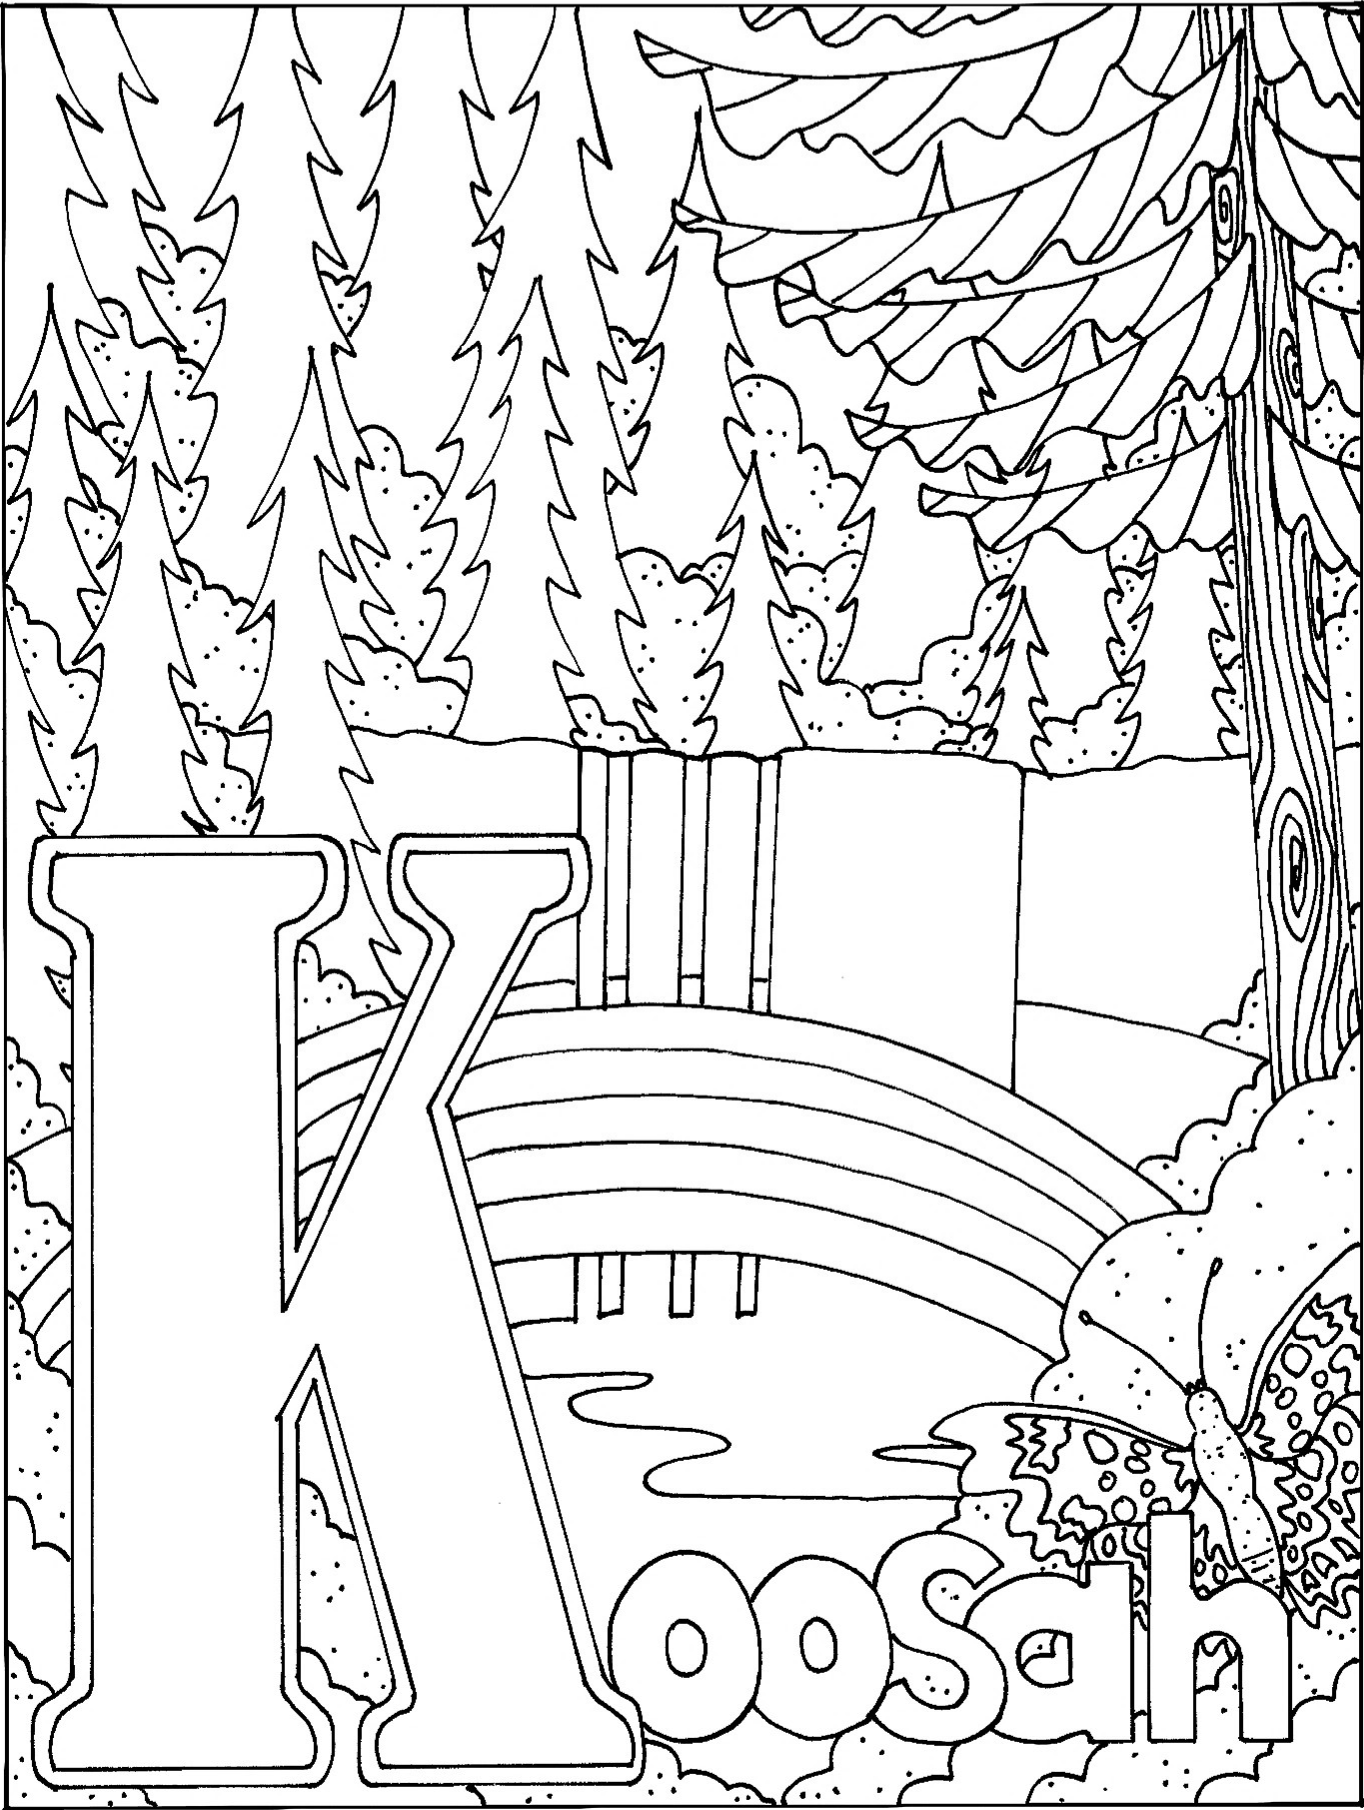

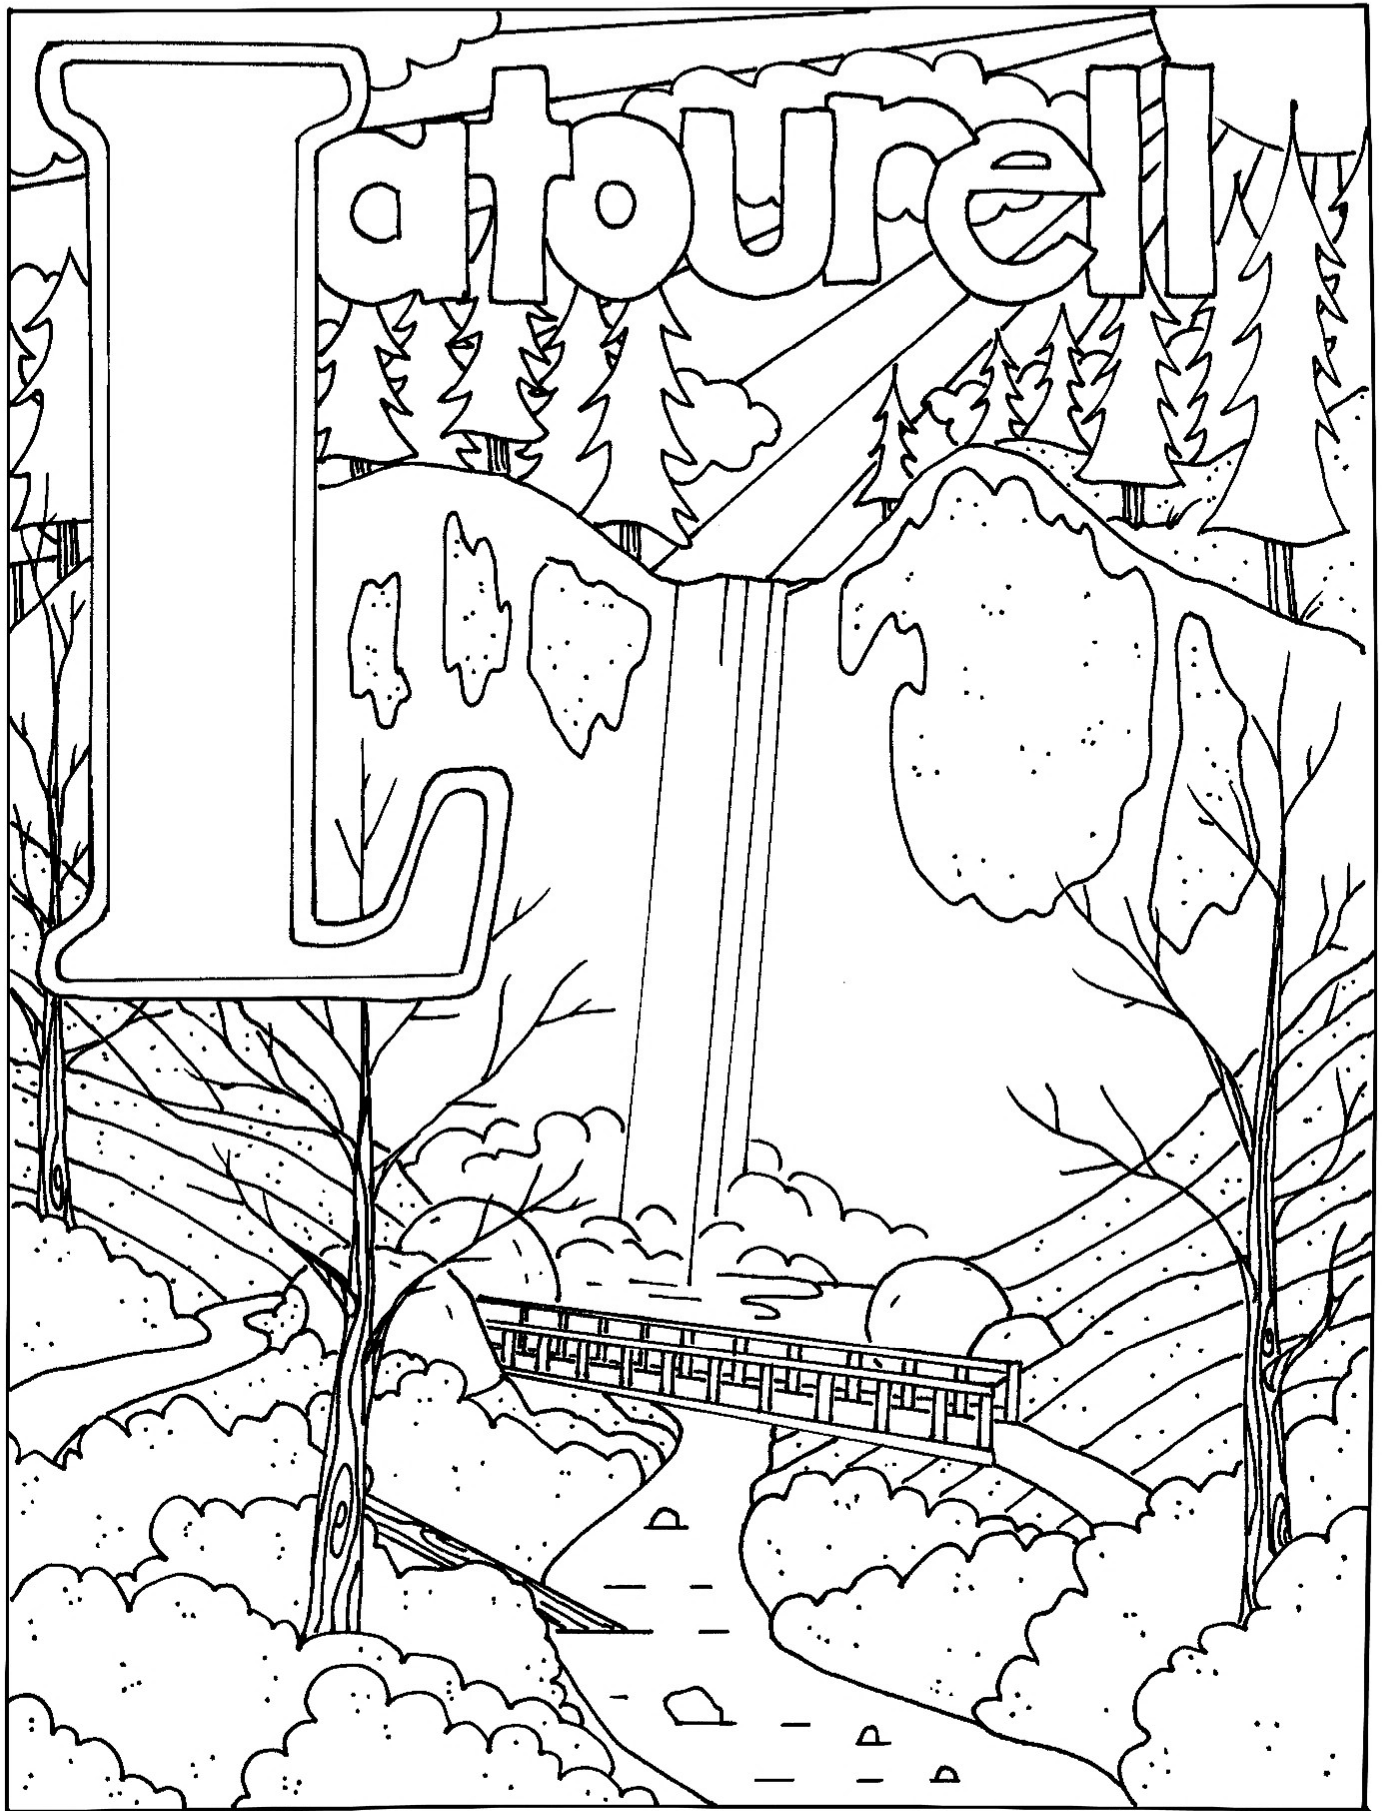

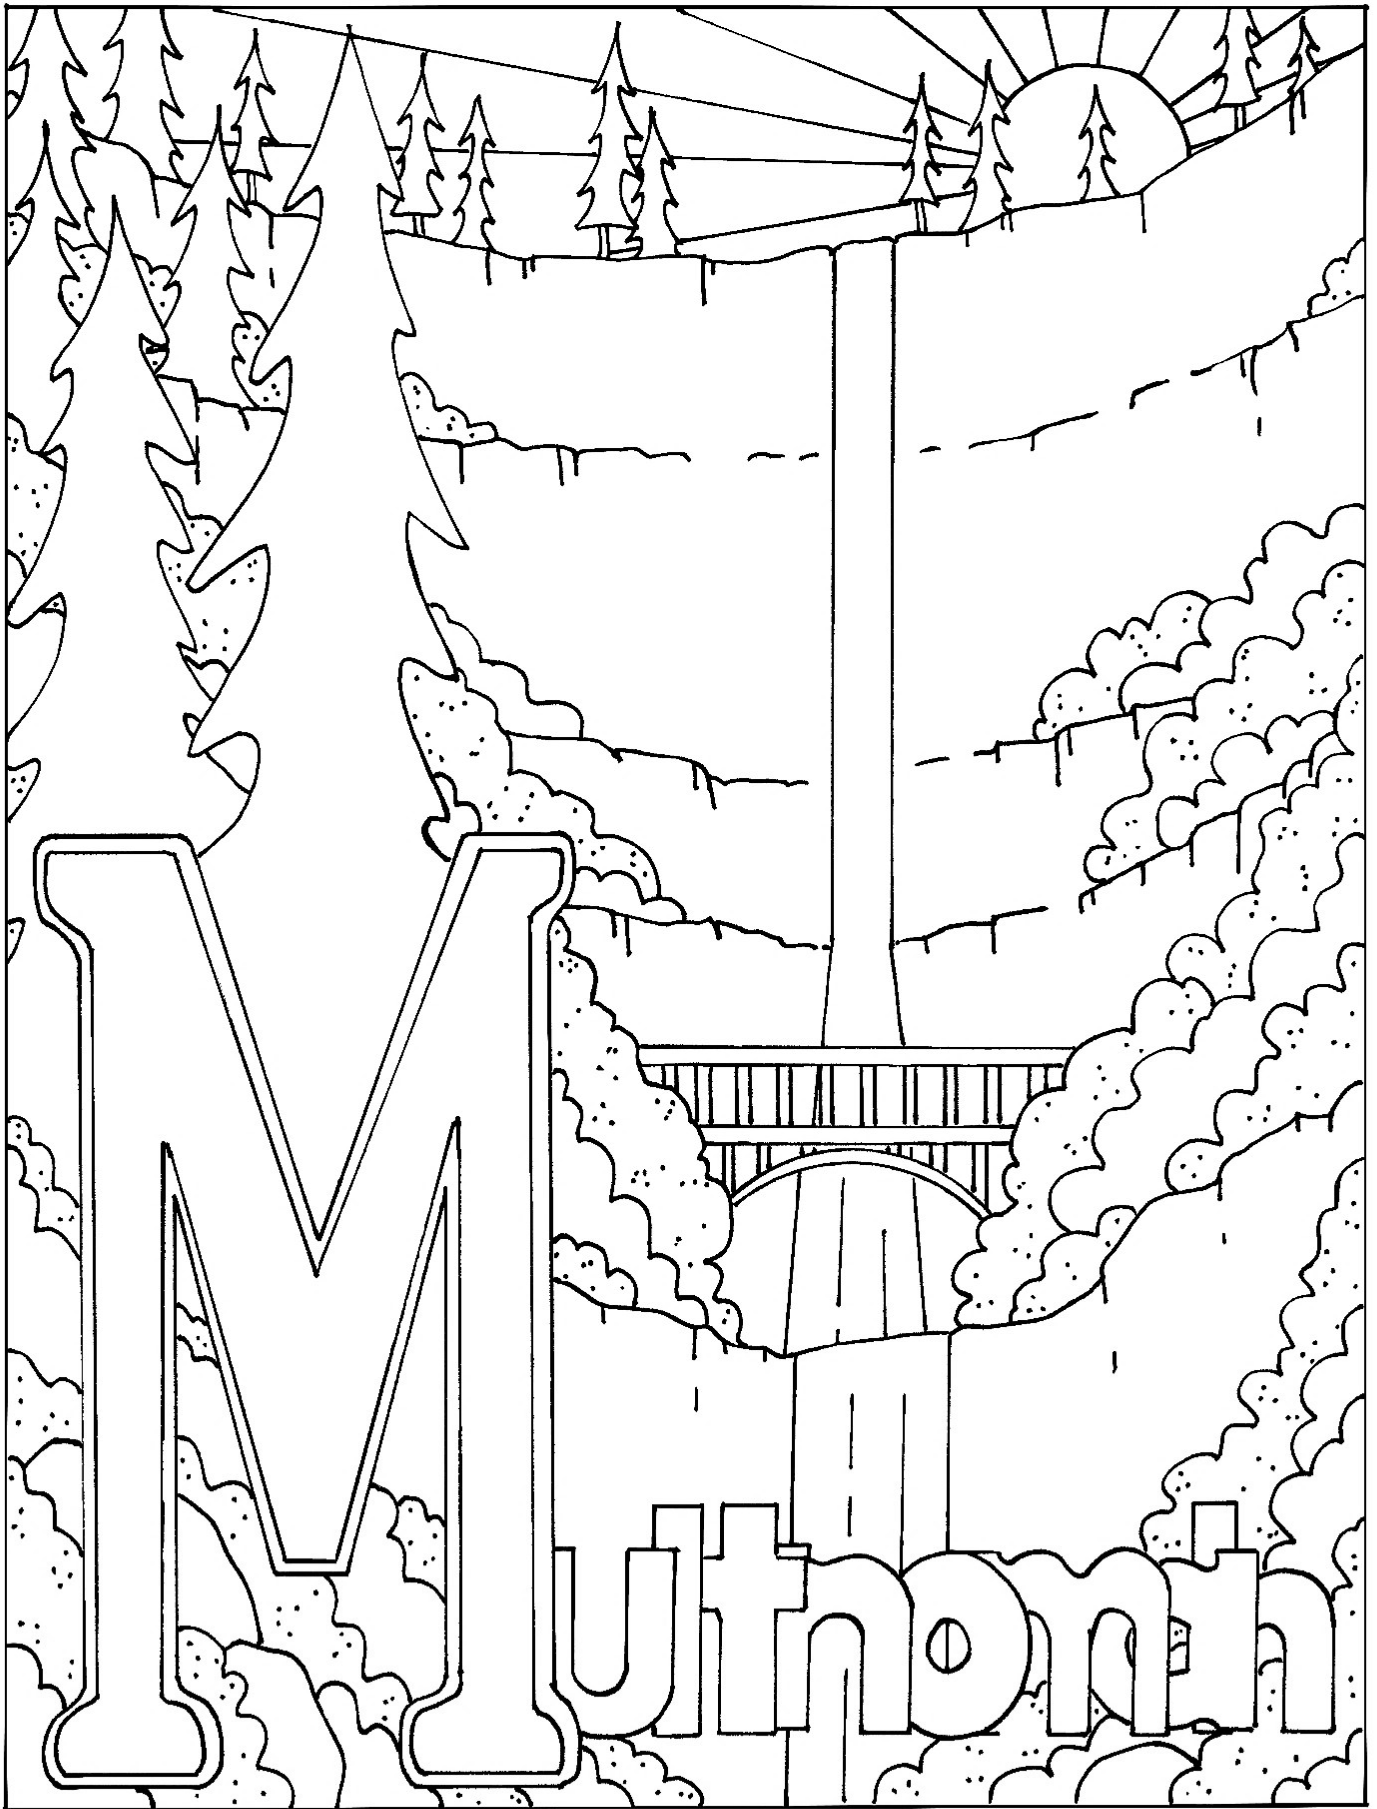

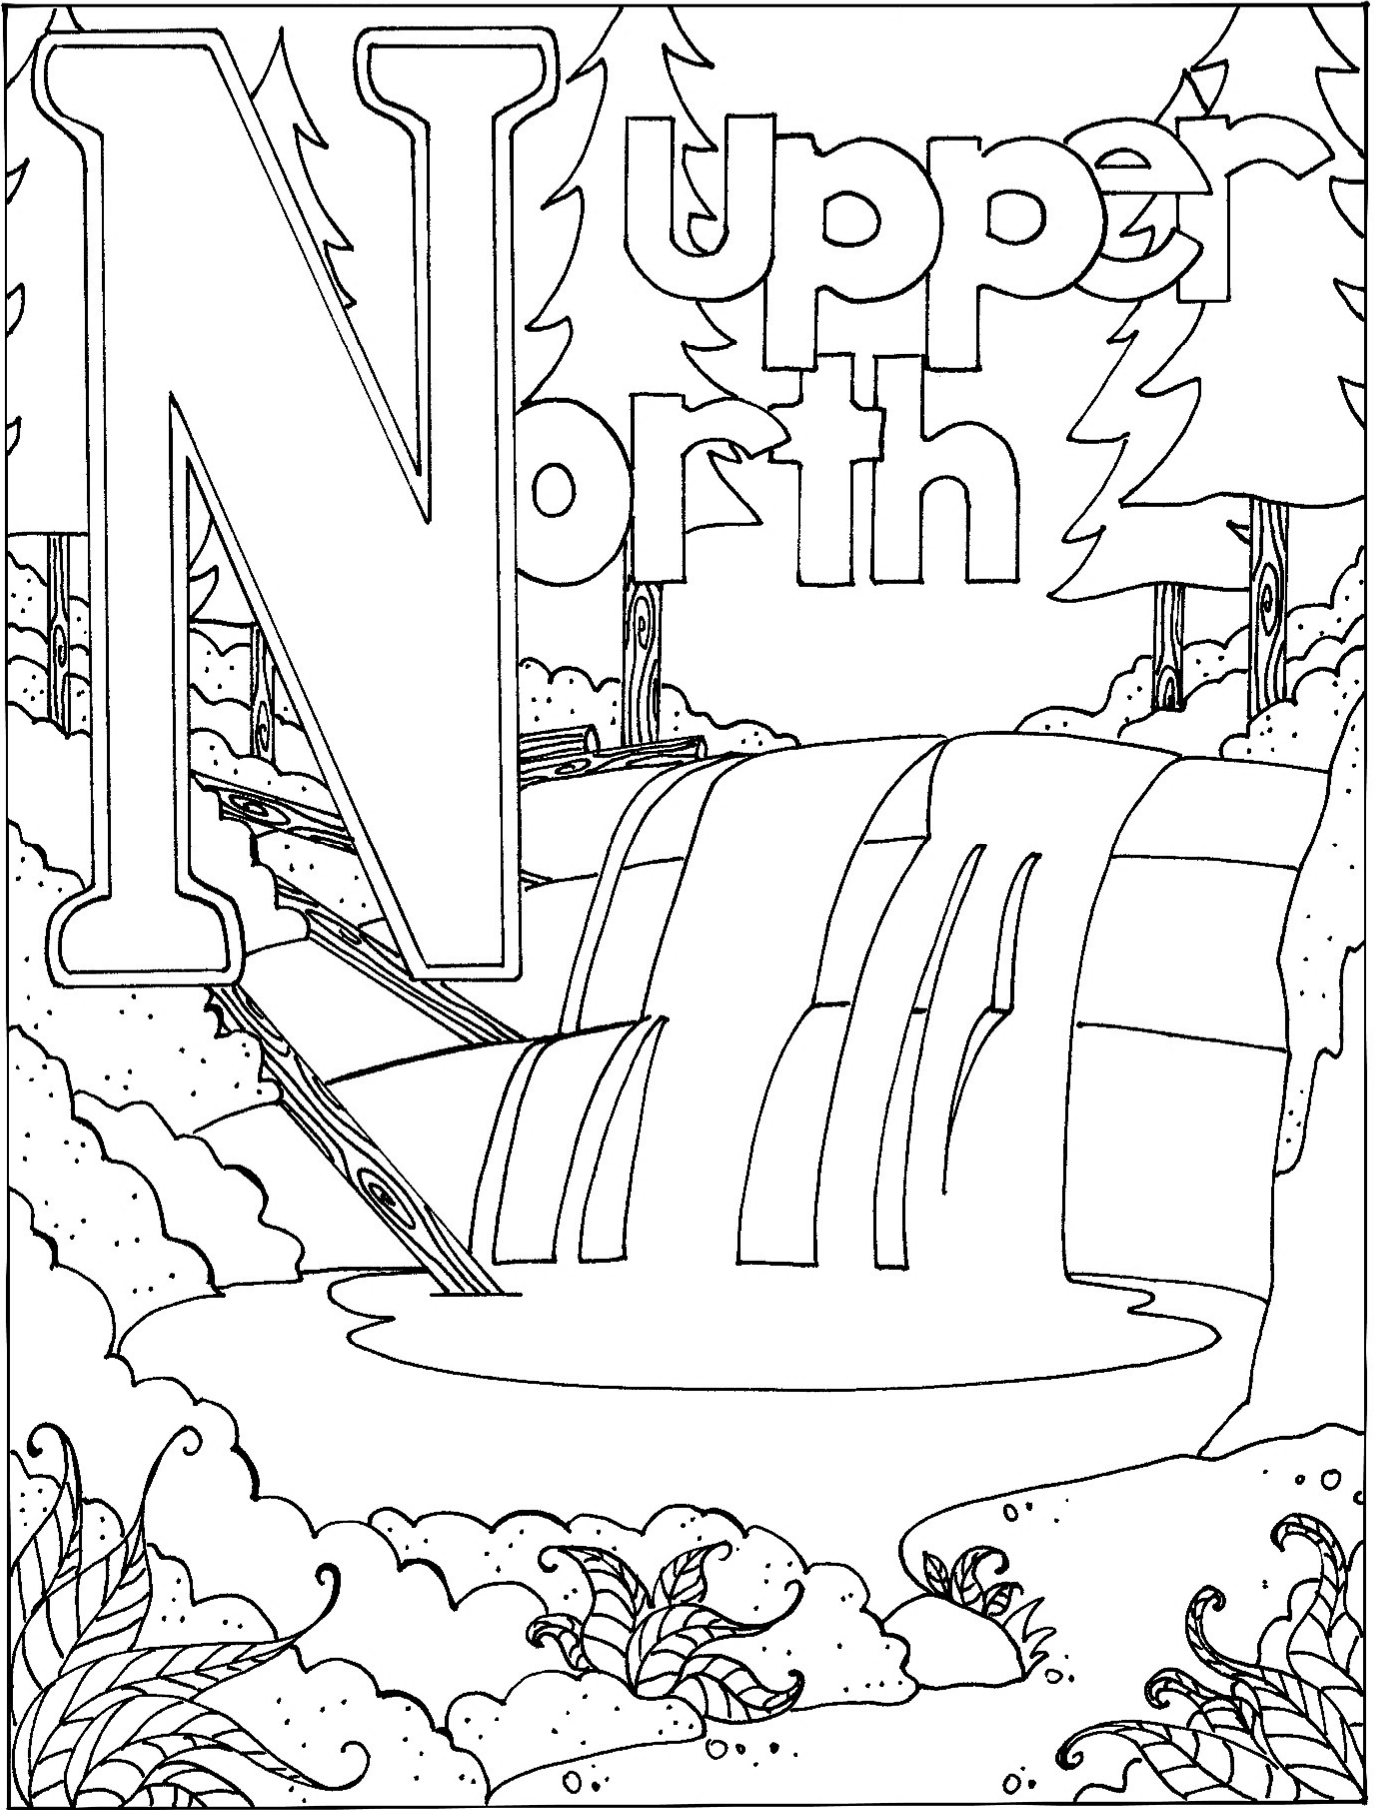

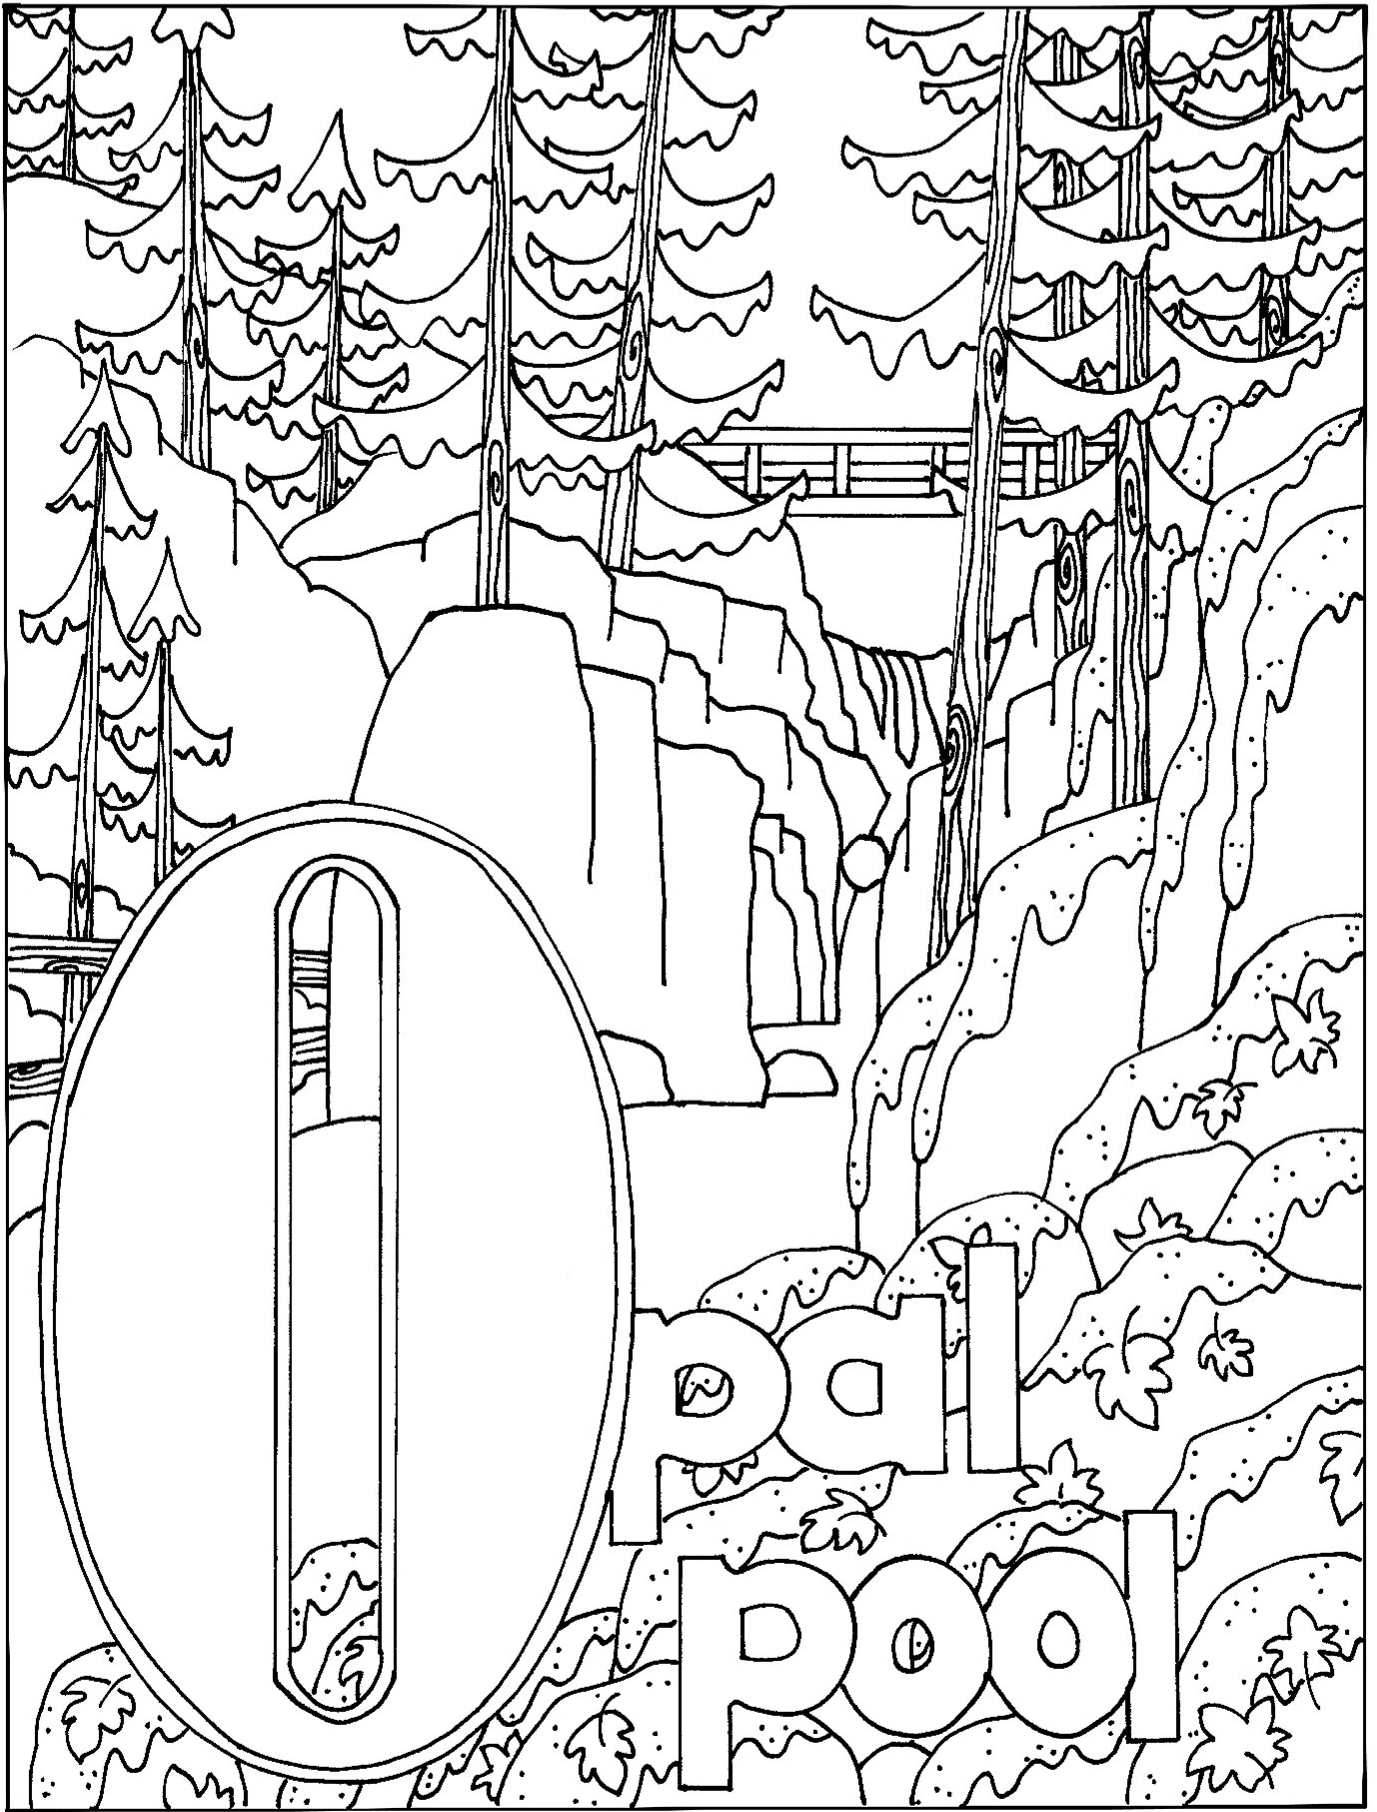

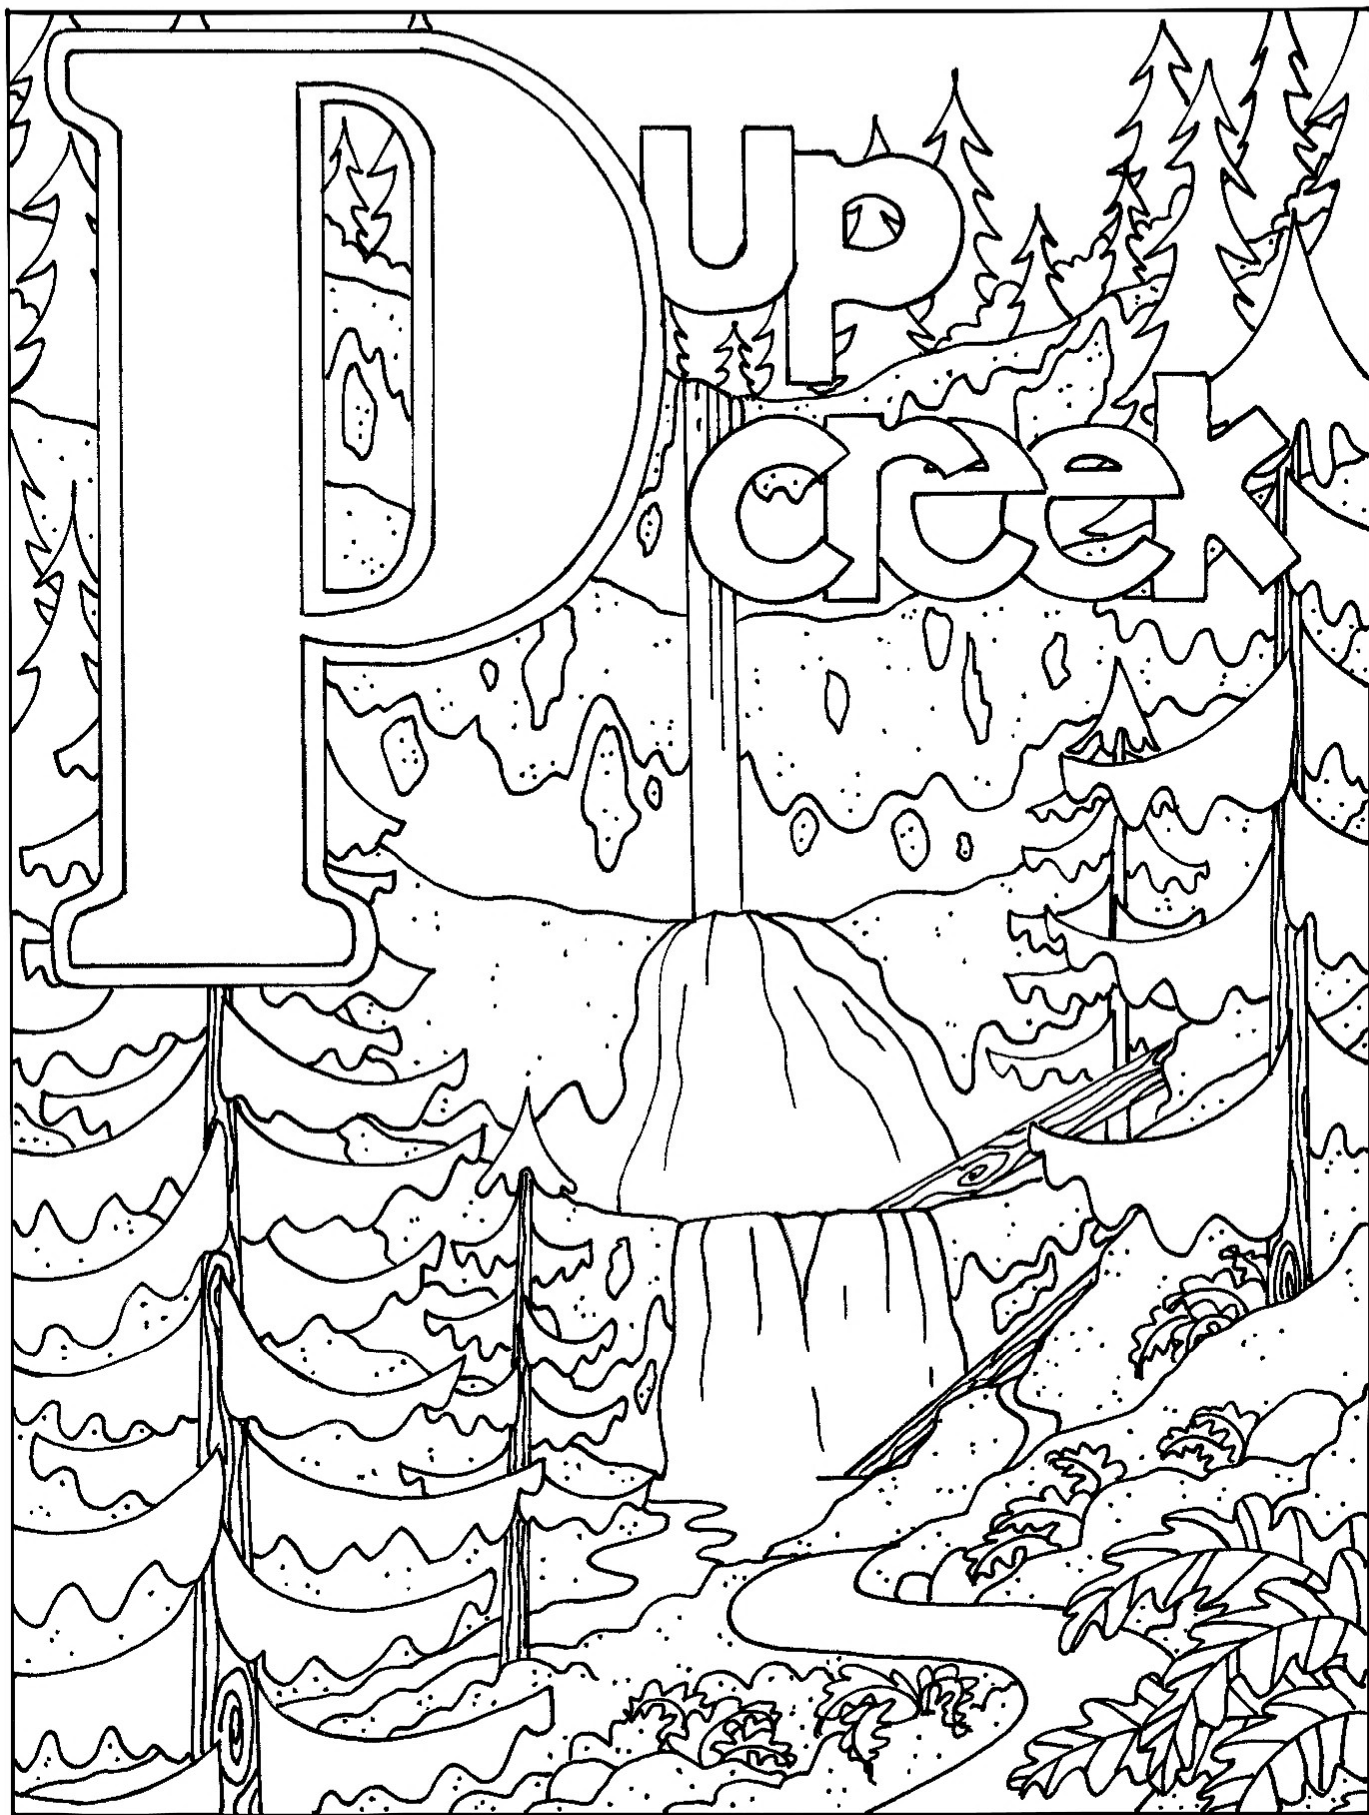

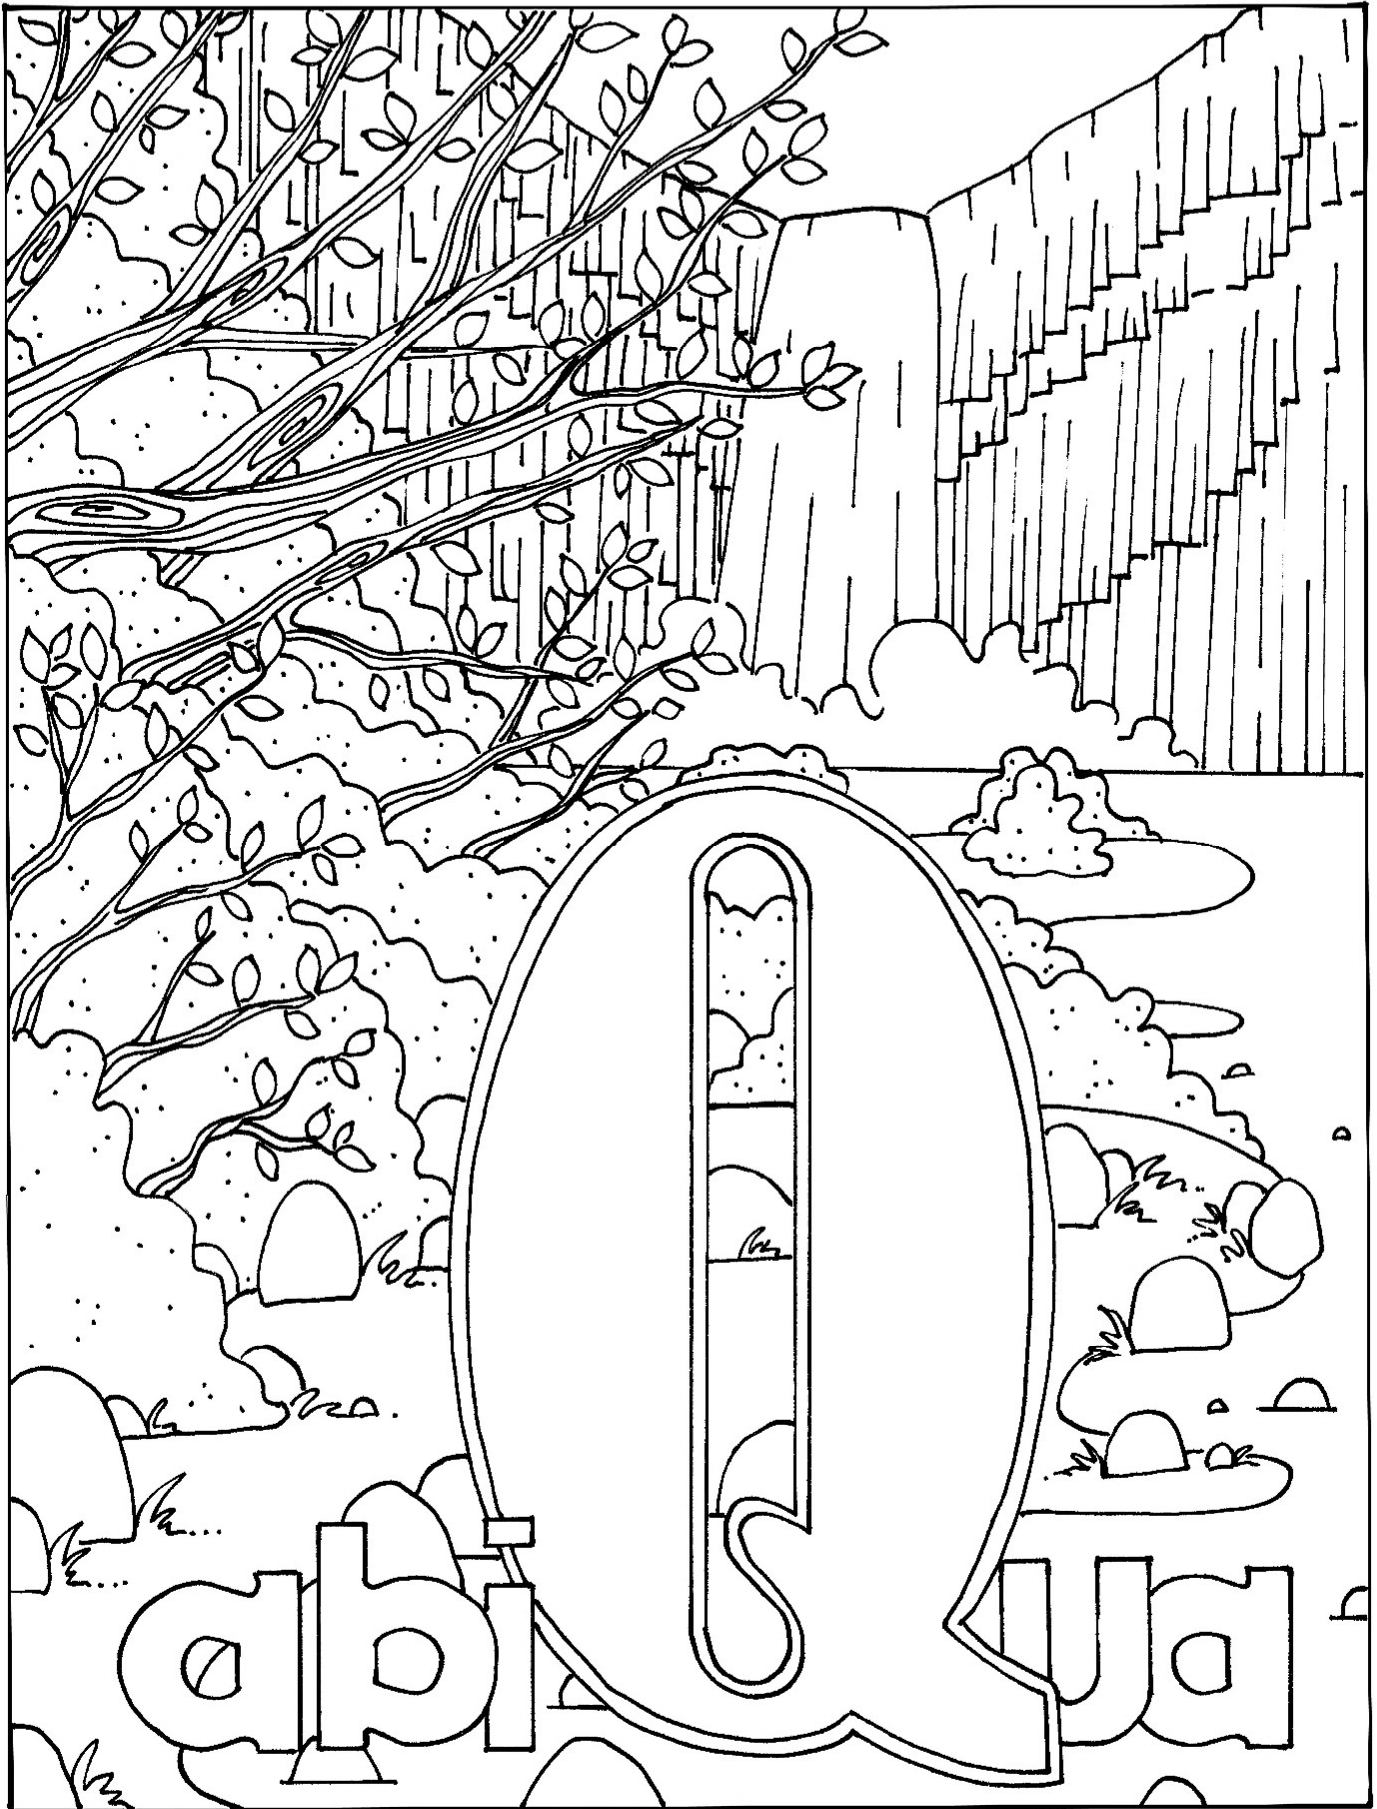

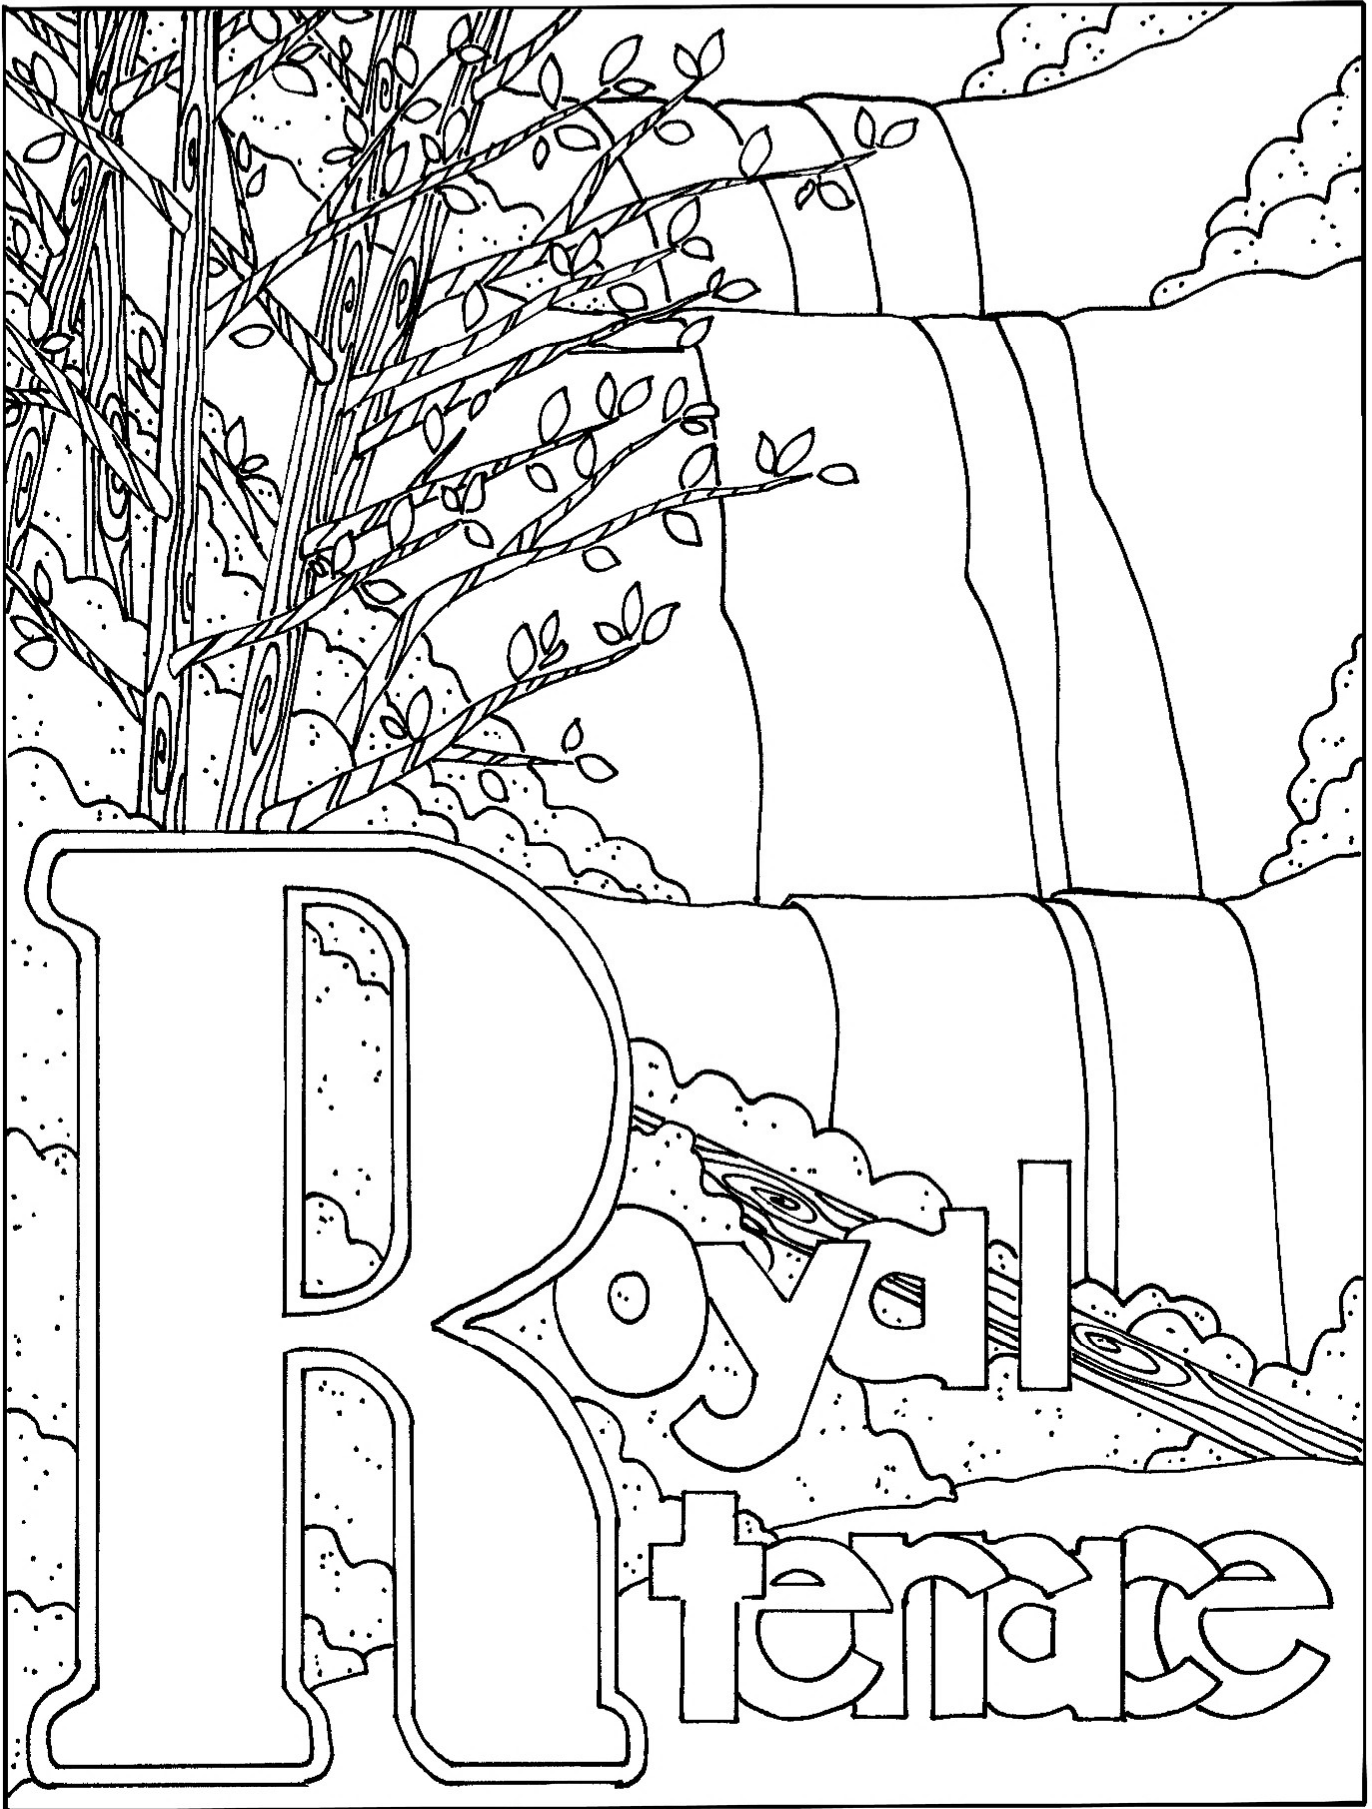

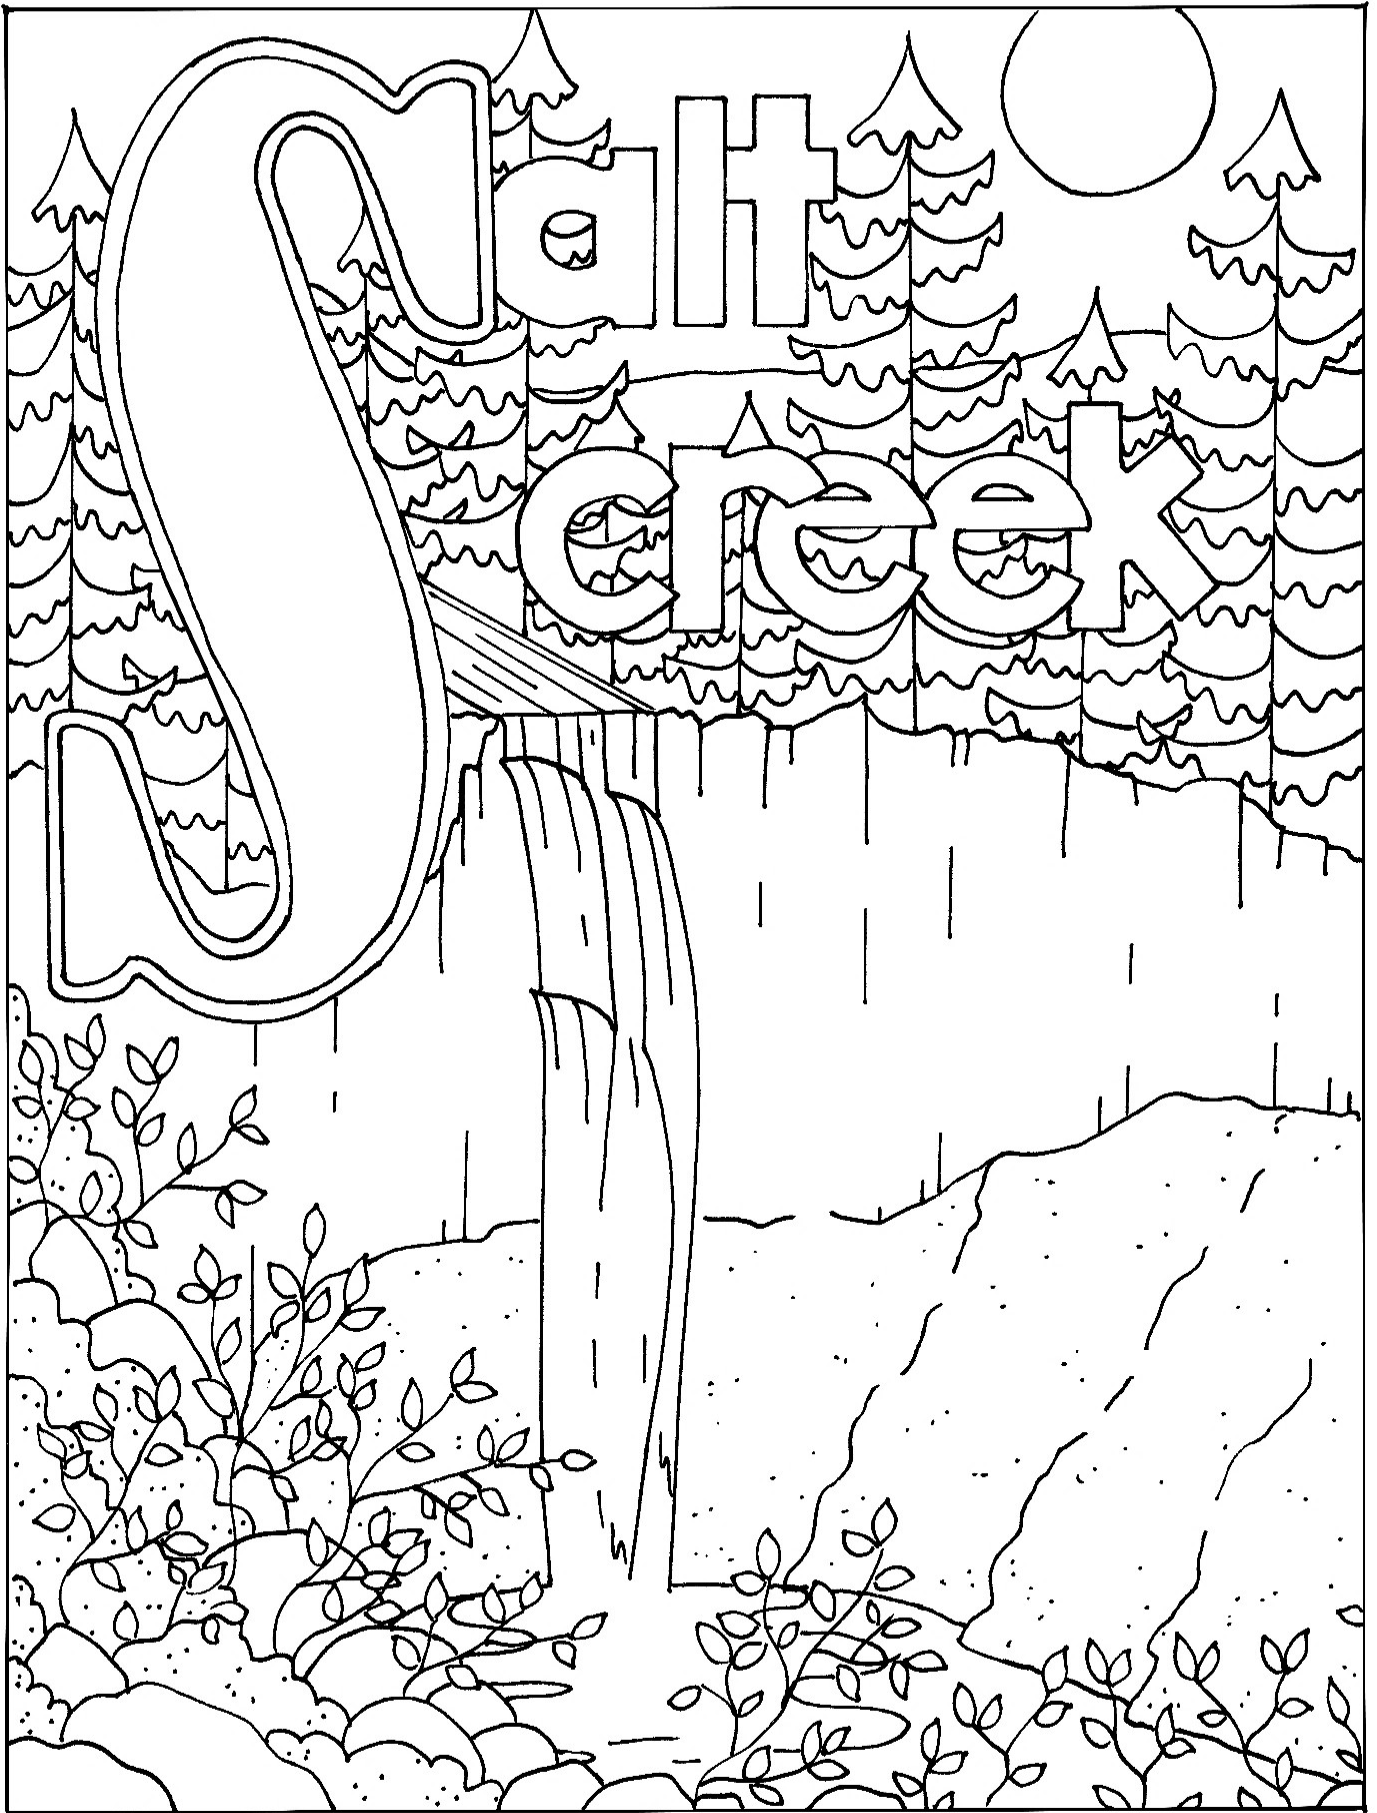

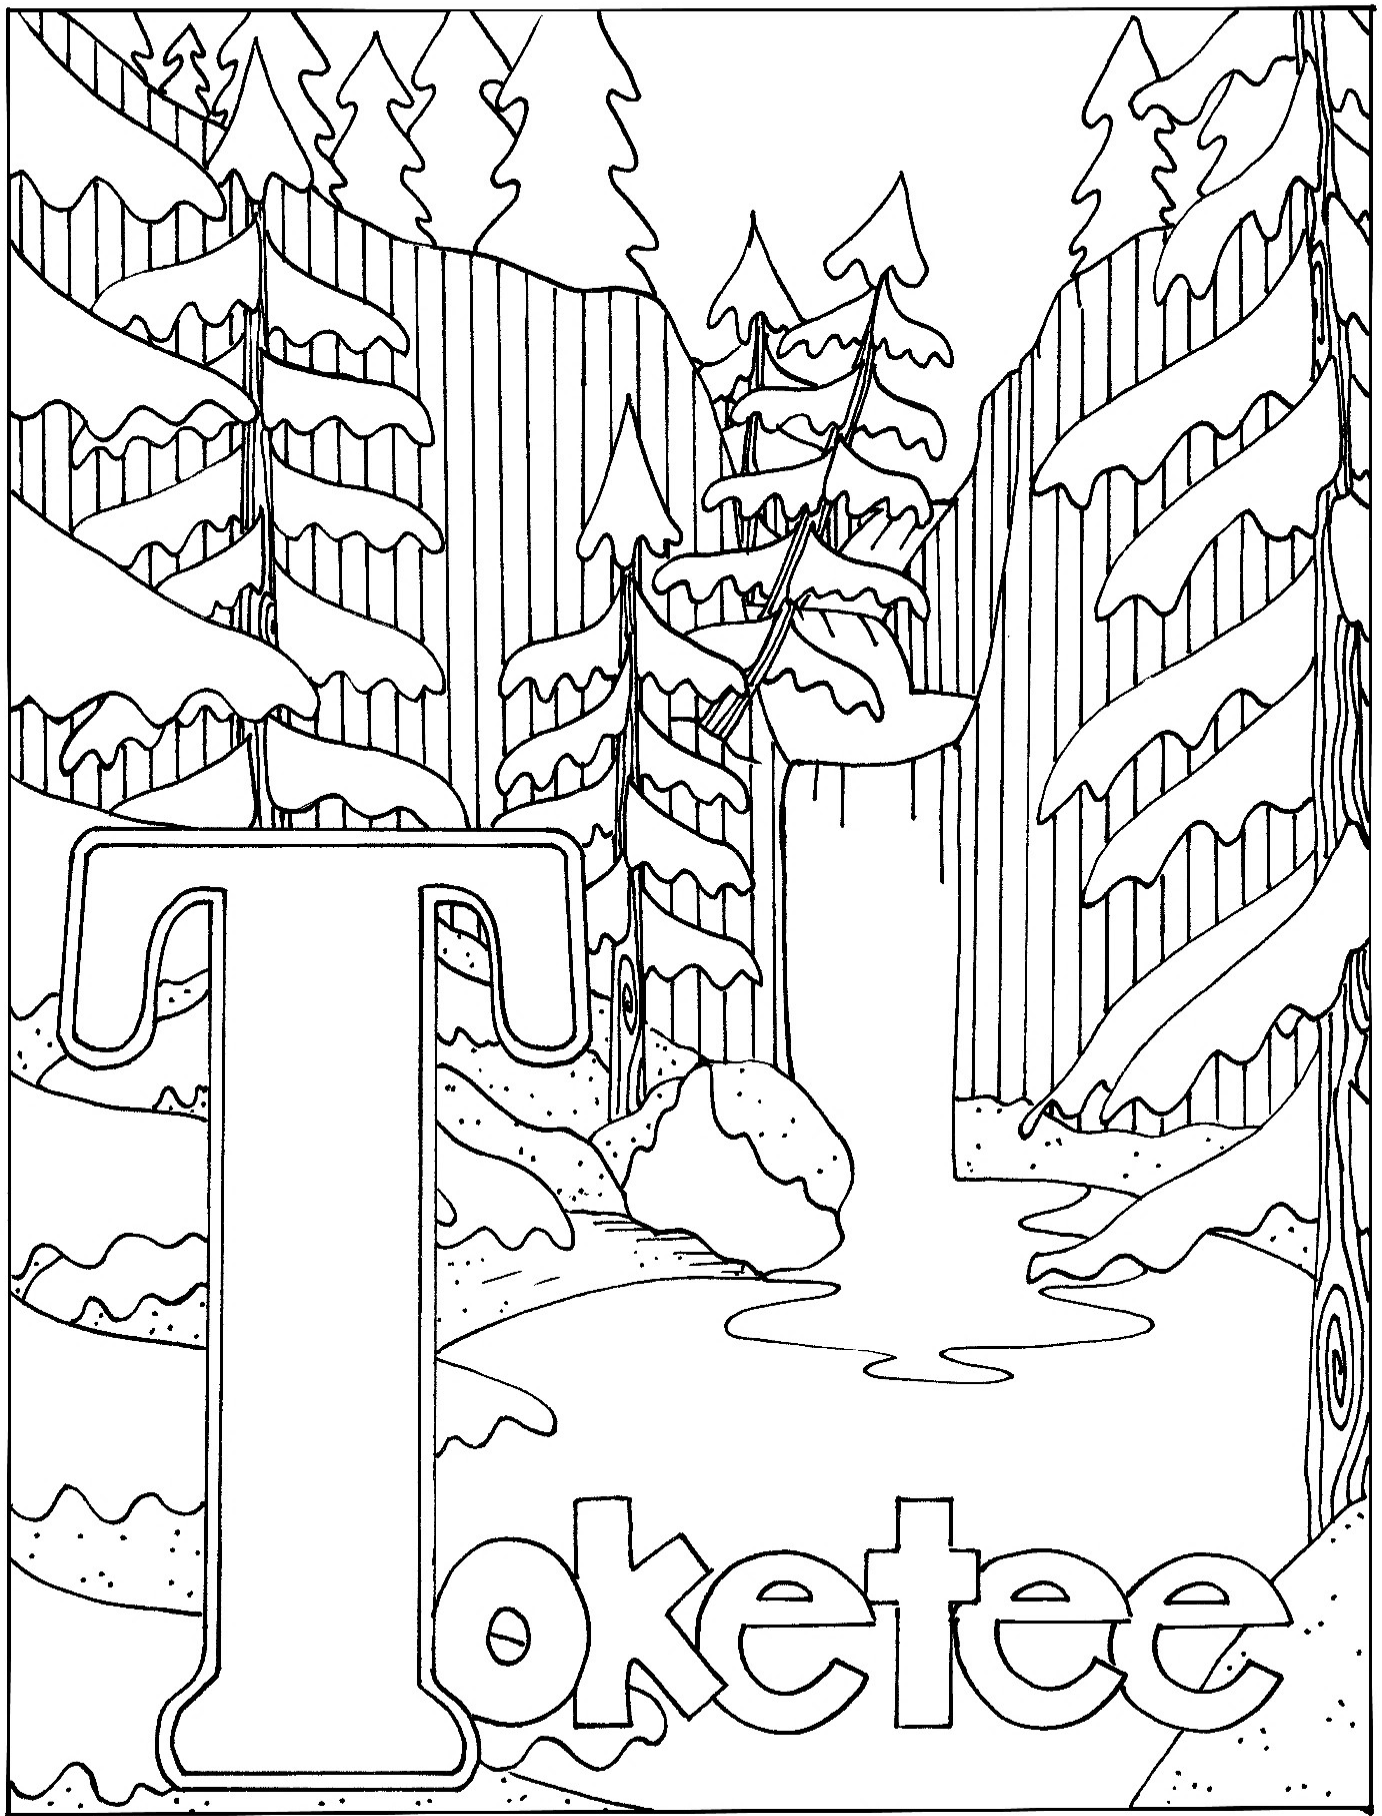

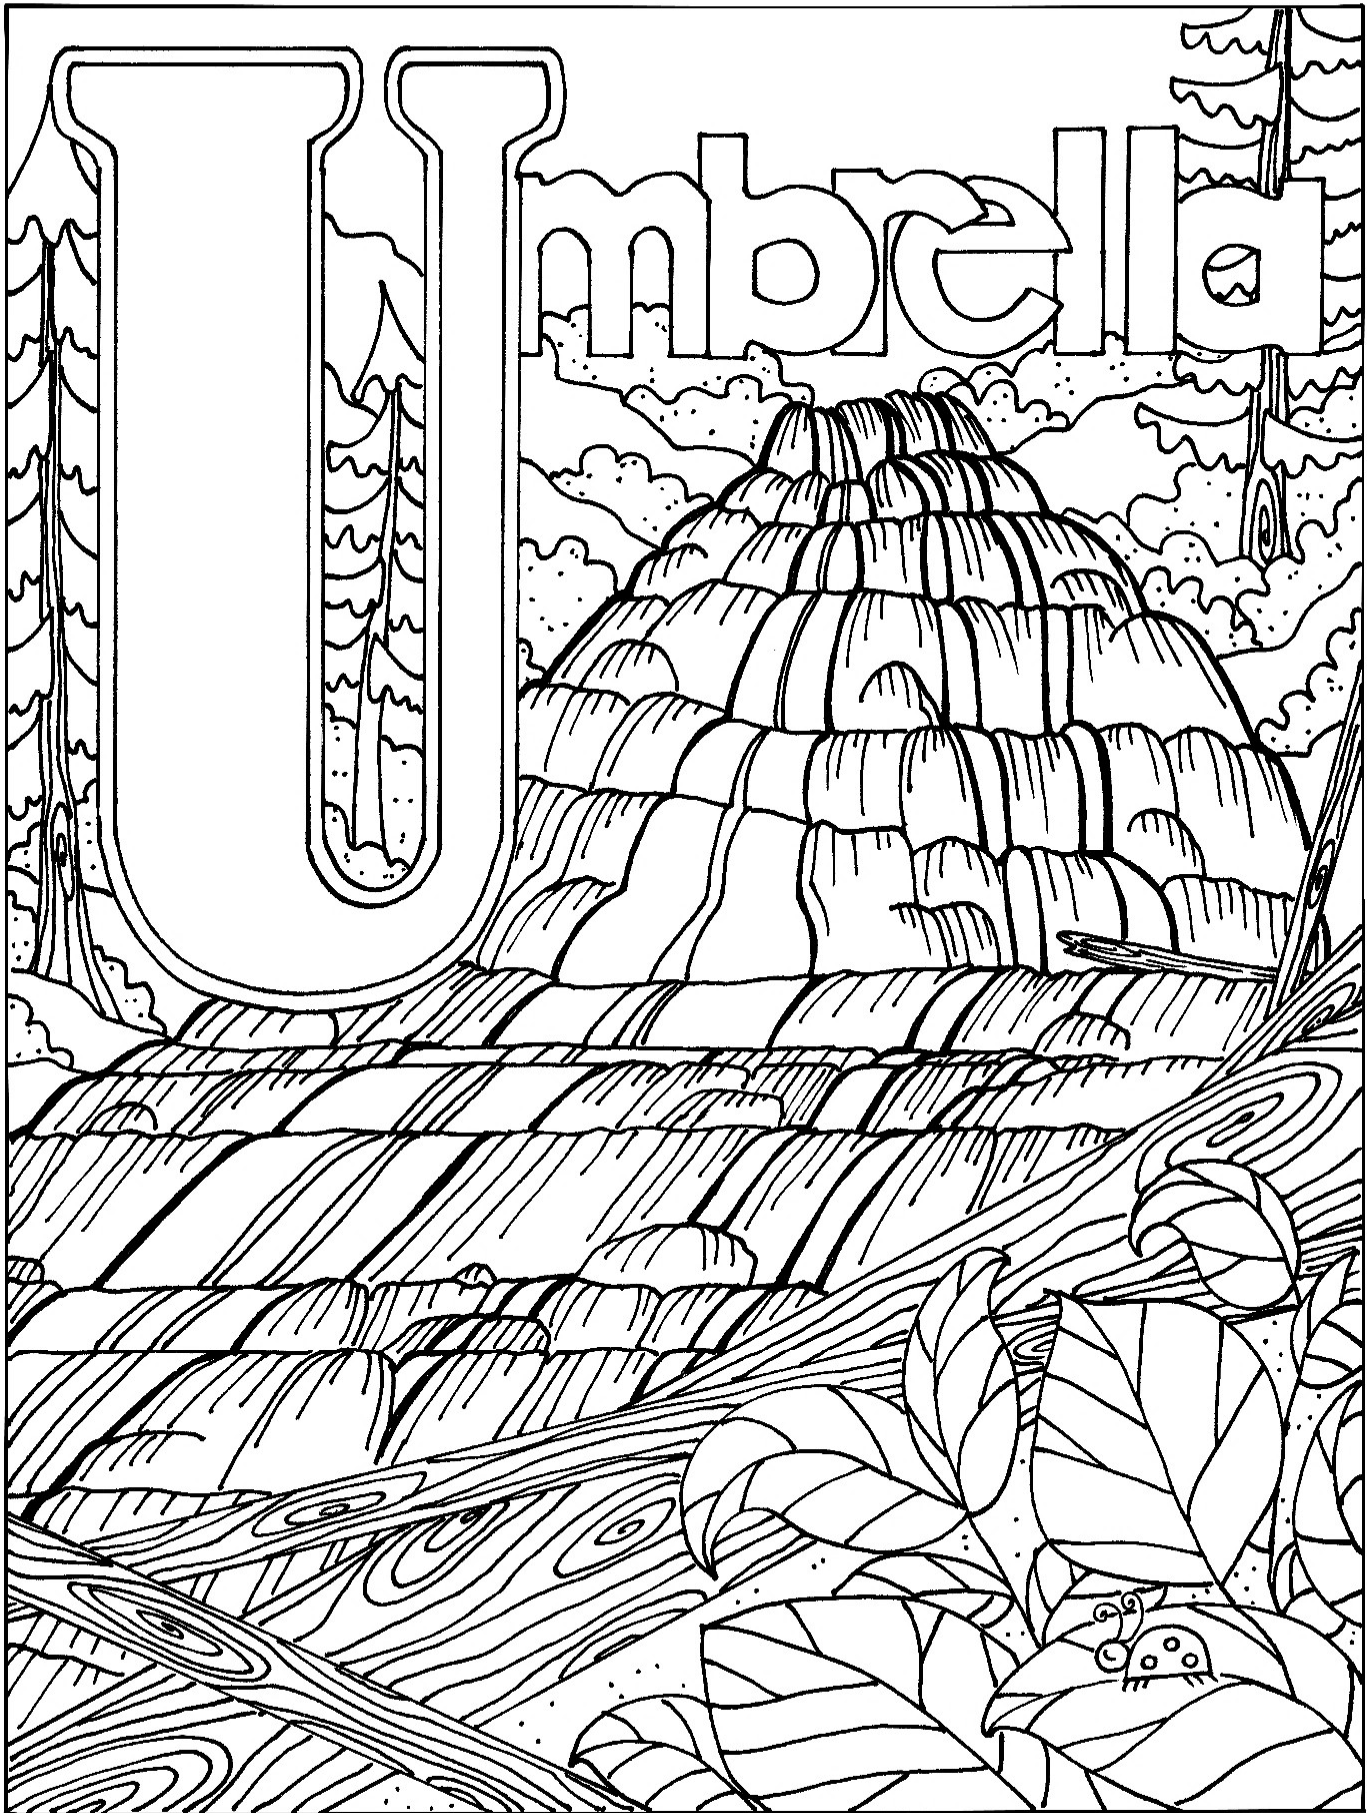

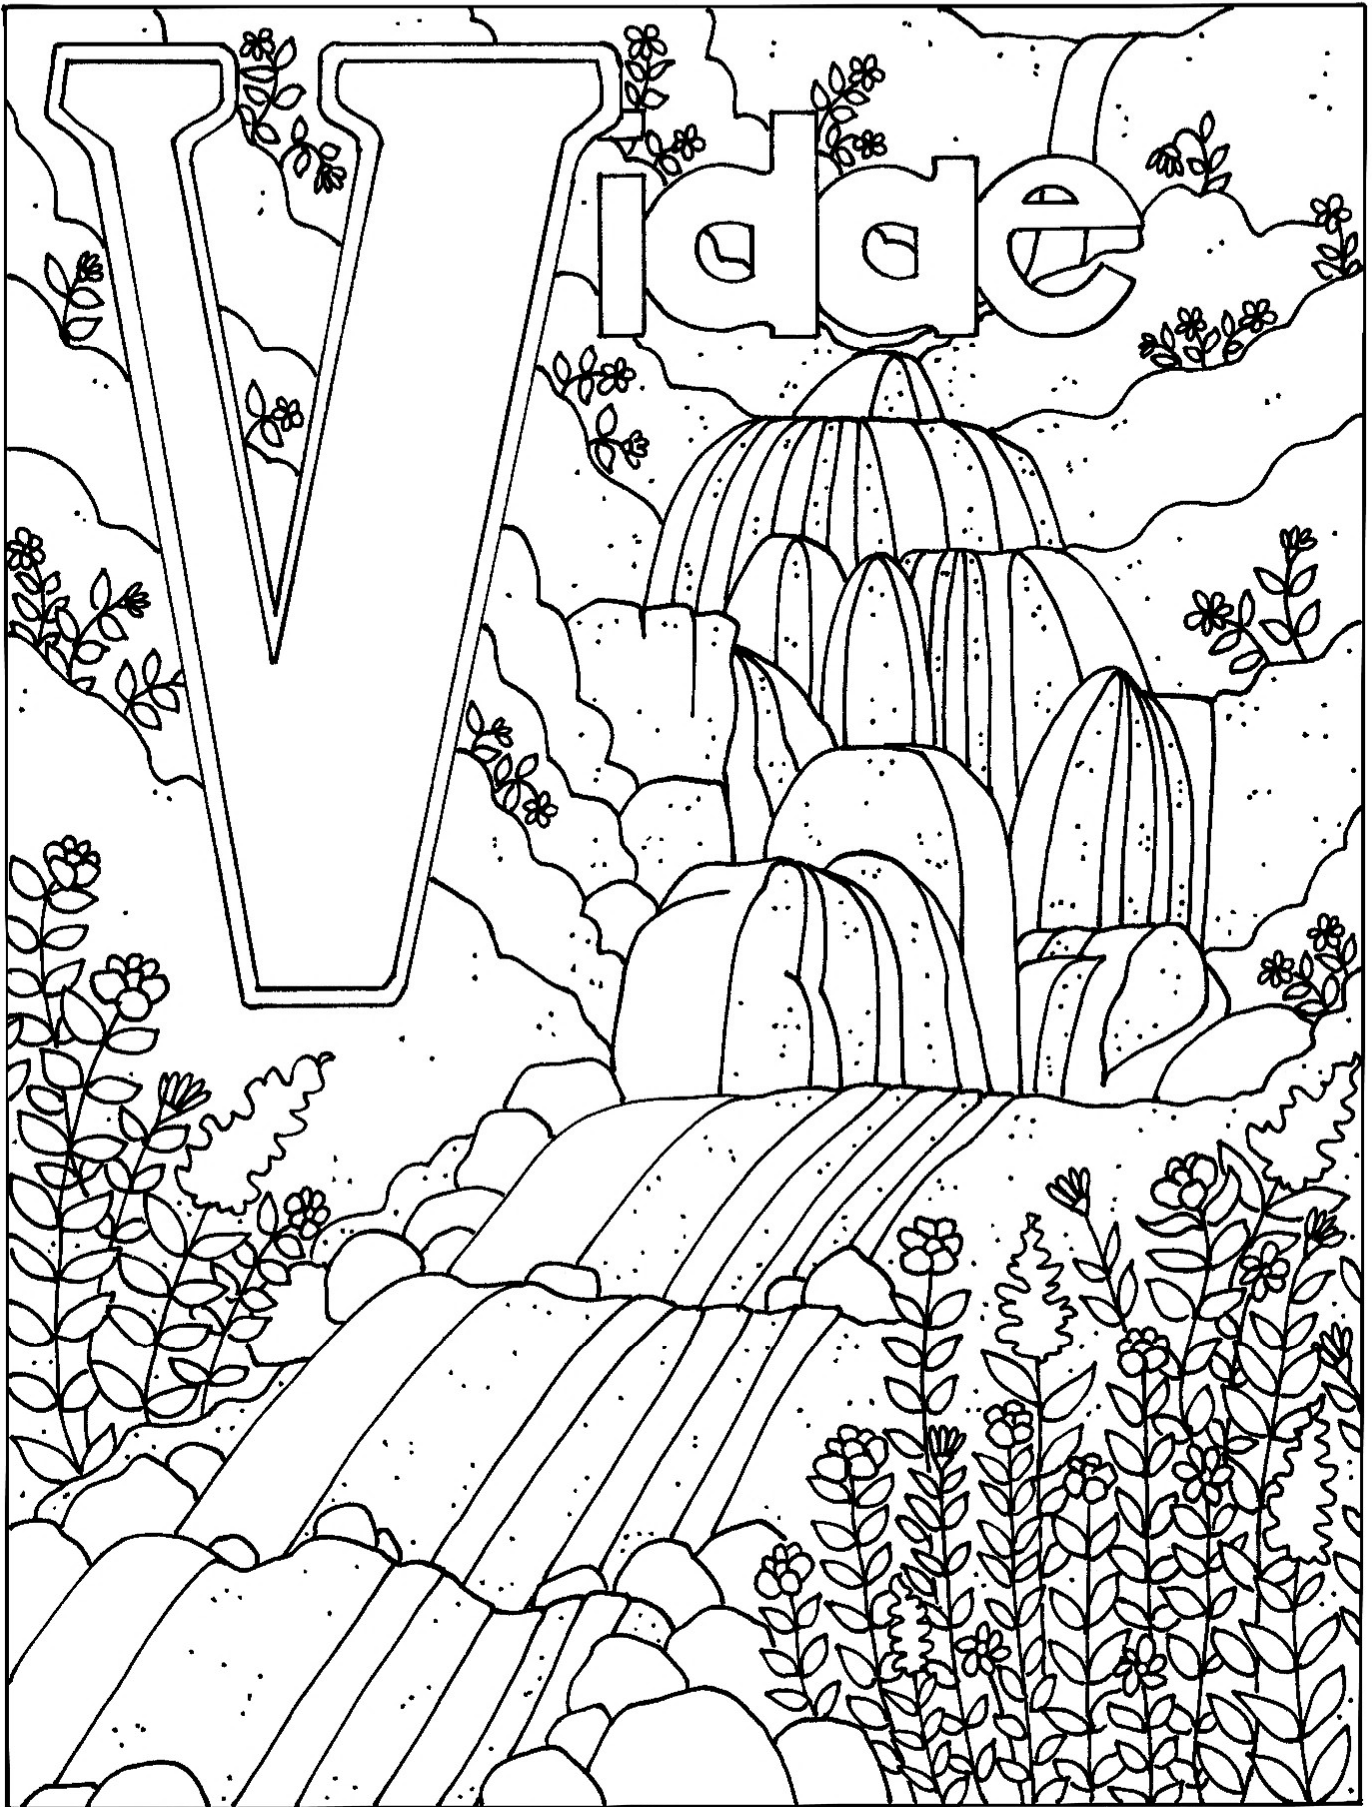

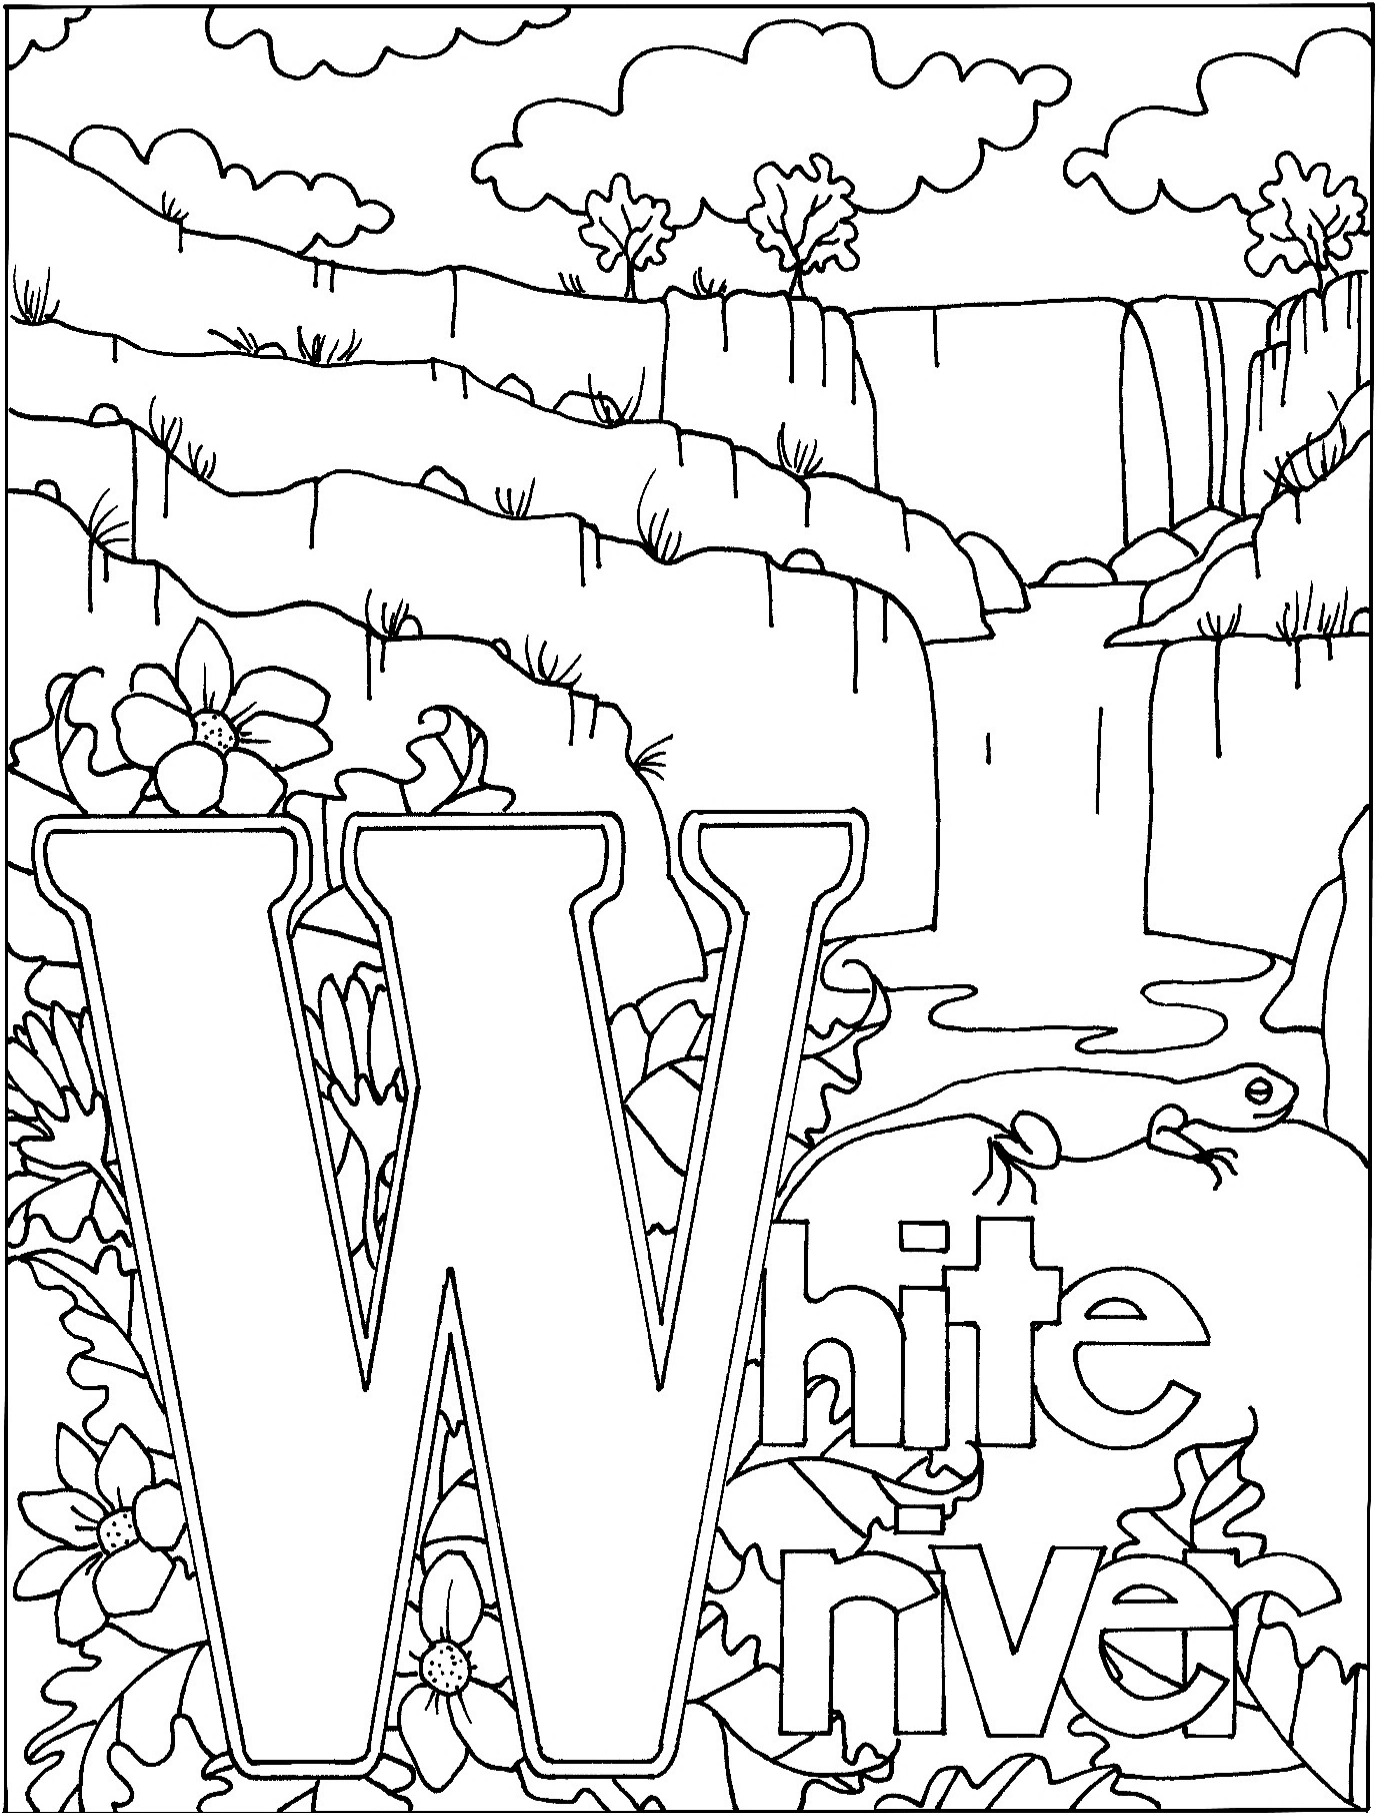

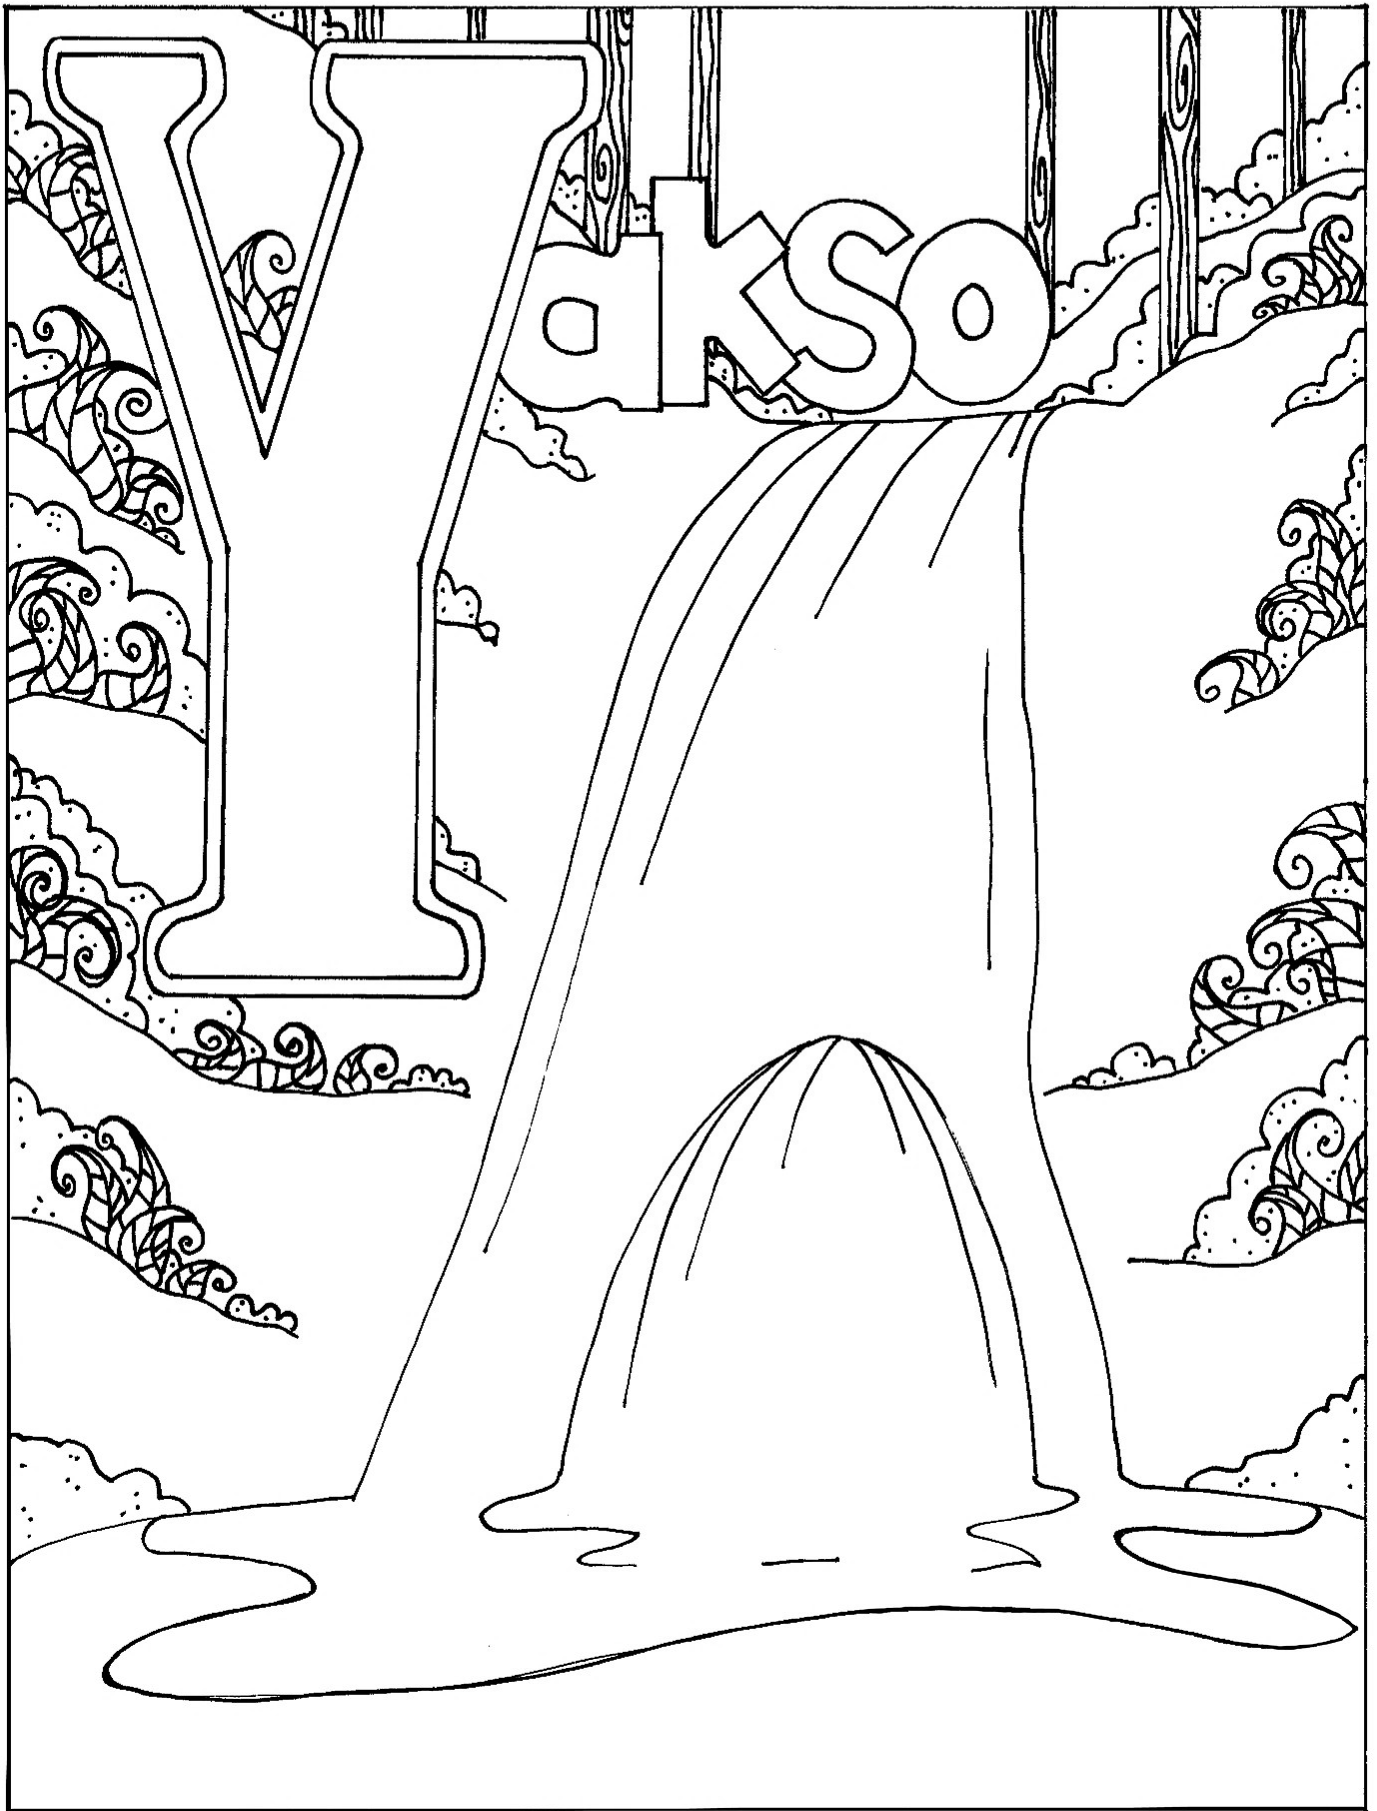

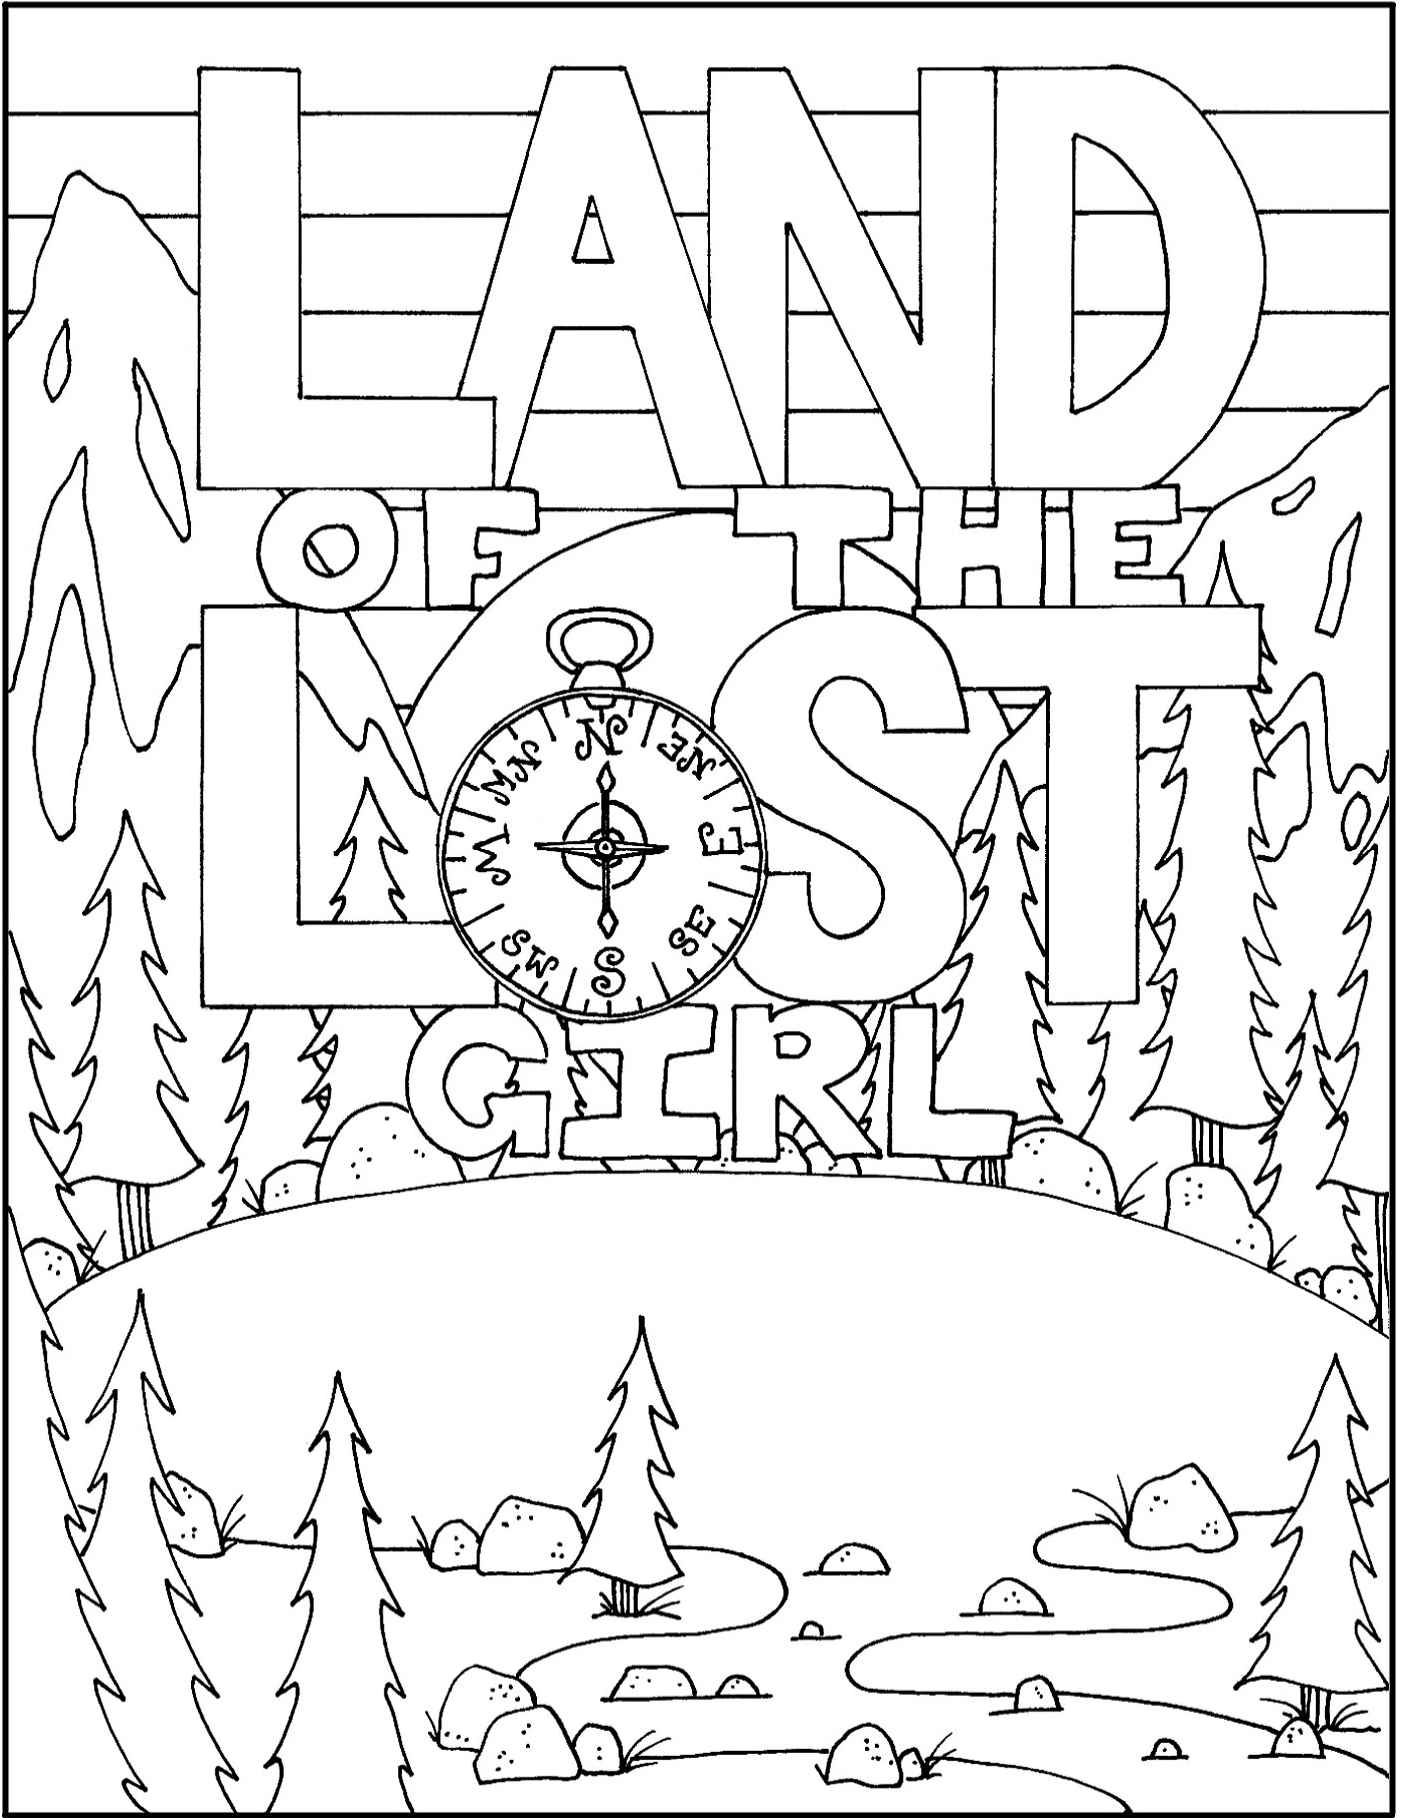

28 beautiful images for your coloring enjoyment.
26 letters of the alphabet each represented by one of the
gorgeous waterfalls around Oregon. 1 hand drawn map of all
the waterfalls inside of the book and 1 bonus picture.

I've poured my love of hiking and nature into each picture.
This is a coloring experience for both young and old.
Kids can color while they learn and adults can just enjoy
the majestic beauty of each waterfall in turn.
